FOR  
THE **ONE**

**"LORD, I HAVE HEARD OF YOUR FAME;  
I STAND IN AWE OF YOUR DEEDS,  
LORD. REPEAT THEM IN OUR DAY,  
IN OUR TIME MAKE THEM KNOWN."**

—HABAKKUK 3:2 (NIV)

## What Does It Look Like When a Church Says Yes to God?

**F**or over 40 years, Calvary Chapel Fort Lauderdale has been more than a building—it's been a movement of faith. What began in 1985 as an act of obedience by a small group of believers—no building, no budget, just a desire to study the Bible, love one another, live for Jesus, and seek the One—has grown into a vibrant, multi-campus expression of the gospel across South Florida and beyond.

We've witnessed God do extraordinary things: restore broken lives, disciple children, transform families, and spread the good news of Jesus further than we ever imagined. The mission; however, has never changed: make disciples.

As we enter a new chapter, we sense another holy moment rising—a call for all generations to open their hands and say, "God, do it again." We're experiencing incredible growth, and we believe this isn't just a season of expansion, but a call to bold, life-changing faith.

We're not just meeting the needs of today, we're preparing God's house for future generations. This generosity journey is a key step forward—fueling the mission to reach more people, raise up new disciples, and see the gospel transform lives for decades to come.

**FROM ONE GENERATION TO THE NEXT**

EXT

This year marks the launch of the *From One Generation to the Next* generosity journey, focused on accelerating the gospel's reach in three key areas:

**A** **ADVOCATE** for the vulnerable and those without a voice—**extending** Christ's love to those in need.

**R** **RAISE** the next generation to follow Jesus—**equipping** children, youth, and young adults to follow Jesus.

**M** **MOBILIZE** missional leaders who are called and sent—**empowering** Christ followers to transform their world for Christ.

# ADVOCATE **for the vulnerable**

*“Defend the weak and the fatherless; uphold the cause of the poor and the oppressed. Rescue the weak and the needy; deliver them from the hand of the wicked.”*

—PSALM 82:3–4 (NIV)

## Extending Christ’s Love to Those in Need

God calls us to love and stand up for people who are hurting—those facing tragedy, crisis, abuse, or abandonment. We’re also called to care for orphans, widows, the poor, and the immigrants and to speak up for those who can’t speak for themselves.

Through this vision, your gift will build upon the work of the first generation of our church and create new opportunities to make an eternal impact. As we invest together, the love of Christ will reach the ones who are hurting.

### GOALS:

- Support those seeking freedom from addiction through Calvary House by offering practical resources for the whole family through Christ-centered residential programs
- Disciple and serve families experiencing homelessness in our city and partner with churches worldwide to plant new churches to serve vulnerable populations
- Develop welcoming care ministry centers across our campuses and reach more people in our cities through strategic ministry partnerships

**REACHING  
OUR COMMUNITY:**  
*Youth outreach at the  
West Boca campus.*

**CHANGING  
OUR WORLD:**  
*Missionaries serving and sharing  
the gospel across Africa.*

# RAISE the next generation

*"He commanded our ancestors to teach them to their children, so the next generation might know them—even the children not yet born—and they in turn will teach their own children. So each generation should set its hope anew on God, not forgetting his glorious miracles and obeying his commands."*

—PSALM 78:5–7 (NLT)

## Equipping Children, Youth, and Young Adults to Follow Jesus

Research shows children who are introduced to the gospel and develop a relationship with Christ at a young age are statistically more likely to maintain their

faith into adulthood. This is why we're focusing on raising the next generation to know their identity is in Christ and not in the world.

### GOALS:

- Enhance next-generation spaces across Calvary campuses—ensuring students have vibrant, welcoming environments to grow and connect in their relationship with Jesus
- Expand Christian education opportunities that will inspire growth and change to transform local and global communities
- Lead digital outreach and translation efforts with bold, innovative strategies that will connect with people who are far from God by bringing the gospel to wherever they are

**CALVARY KIDS:**

*Providing a welcoming space for children to grow in their faith.*

**BAPTISM:**

*Parents joyfully baptize their kids, celebrating a beautiful moment in their walk with Jesus together.*

**KIDS CONFERENCE:**

*Every summer, over 500 kids have an encounter with the gospel message.*

# MOBILIZE

## missional leaders

*"Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."*

—MATTHEW 28:19–20 (NIV)

### **Empowering** Christ Followers to Transform Their World for Christ

At Calvary, we believe in mobilizing individuals as they fulfill their God-given calling. This means we're passionate about developing and sending out world-changing leaders locally and globally. This vision includes planting permanent Calvary locations to reach more

people with the gospel. We're also committed to developing leaders through specialized training centers and programs. Your investment to empower emerging leaders will transform future generations for the gospel.

#### **GOALS:**

- Equip emerging leaders, missionaries, and pastors through intentional training and discipleship pathways
- Pursue planting more permanent Calvary locations to reach more communities with the gospel

#### **GLOBAL WEEK:**

*Sharing annually the call to go and make disciples and praying for missionaries.*

**YOUTH ENCOUNTER:**  
Students encountering God at Youth Encounter and taking life-changing steps of faith.

**PARKLAND CAMPUS:**  
A shared space with Calvary Español, we hope to see permanent homes for both thriving ministries in the future.

# FORT LAUDERDALE CAMPUS YOUTH BUILDING

For over two decades, the youth building has served thousands of students as a place to grow in faith, build community, and encounter Jesus. Now, a new vision is taking shape: to create purpose-built environments that will equip the next generation for decades of ministry impact.

At the heart of this plan is a complete transformation of the middle and high school youth building, originally constructed when the campus first opened. This revitalization will provide dynamic, flexible, and welcoming indoor and outdoor spaces tailored to the unique needs of today's students and tomorrow's leaders.

With more than 1,500 CCA and Calvary Youth students participating in youth activities in this space any given week, this investment reflects Calvary's long-term commitment to discipling the next generation and stewarding the incredible growth God's bringing.

## THE VISION FOR THIS PROJECT INCLUDES:

- A complete redesign of the youth ministry building, creating distinct environments for middle and high school students
- Modernized gathering spaces that foster worship, discipleship, and deep community
- Technology and design enhancements to support large events, small groups, and midweek gatherings
- A renewed emphasis on connection, safety, and accessibility (including a lift for special needs students)

# FORT LAUDERDALE CAMPUS “THE UNION” BUILDING

As people across all generations continue to find meaningful connections, the need for a dedicated space has become increasingly clear. “The Union” (formerly known as 6290/Ramp 48), located on the west side of the Fort Lauderdale campus, is being reimagined as a vibrant home for students, families, and adults of all ages to gather, grow in community, and step into their calling. It will also be a place of outreach—designed to meet real needs in our community and show the love of Christ.

This building is undergoing a complete renovation to create a modern ministry hub designed specifically for next-generation students. This space will serve as a cornerstone for discipleship, sports ministry, leadership development, and spiritual formation.

As part of Calvary’s mission to raise the next generation, the new vision for “The Union” both affirms the value and calling of adults in the life of the church and provides the space they need to thrive.

## **THE VISION FOR THIS PROJECT INCLUDES:**

- A fully-renovated ministry space dedicated to Calvary's next generation students and young adult community
- Flexible environments for large-group worship, small groups, and ministry gatherings
- Comfortable common areas that invite connection, conversation, and collaboration
- Multi-use functionality to serve outreach initiatives as well as school and church-wide special events
- Hospitality and food spaces designed to create a welcoming environment where people can gather, share meals, and build relationships

# FORT LAUDERDALE WEST CAMPUS CALVARY ESPAÑOL & CCA K-3

Twelve years ago, Calvary inherited the former Fort Lauderdale Christian School campus. Now, a renewed vision is reimagining the West campus as a dual-purpose ministry home for Calvary Christian Academy's youngest students and the growing Calvary Español congregation.

This plan meets two long-standing needs: an innovative environment for early elementary education and a permanent home for a vibrant Spanish-speaking church community. With architects and designers shaping the space, the project reflects our commitment to excellent education, the expansion of the gospel, and making disciples of all generations through both church and school.

## THE VISION FOR THIS PROJECT INCLUDES:

- A permanent campus for Calvary Español designed to meet both ministry and community needs
- Purposeful site development to support dual use for both church and school functions
- A new 80,000 sq. ft. academic facility designed for K–3rd grade students, offering thoughtfully designed classrooms tailored for early learners and age-appropriate common areas and creative spaces
- A theater, cafeteria, gymnasium renovation, and ball fields to enrich school life

### ENHANCED GYMNASIUM:

Pairing an expanded meeting space with a great sport court.

### MULTI-PURPOSE THEATER:

The new facility will accommodate a space for Calvary Español to meet.

### INCREASED SPORTS FIELDS:

Adding space for tennis, soccer, and beach volleyball.

# BOCA RATON CAMPUS

The Boca campus is entering an exciting new season with a vision to continue to serve its growing church and create space for future generations to flourish. This plan replaces aging modular buildings and support structures with purpose-built environments for worship, learning, and connection. At the center is a new 23,000 sq. ft. church and school building on the west side of the campus, replacing temporary structures and creating a permanent foundation for ministry.

In addition, the campus will welcome a Calvary Christian Academy Pre K–5th grade school, with the capacity to serve 360 students. This new campus is dedicated to discipling young hearts and minds through Christian education rooted in truth and excellence. Together, the church and school are committed to making disciples.

## **THE VISION FOR THIS PROJECT INCLUDES:**

- A completely remodeled lobby to support greater fellowship and connection
- Two inviting courtyards that encourage community gathering
- A new 5,000 sq. ft Generous Cafe to enhance hospitality and shared moments
- 10,000 sq. ft. of additional space devoted to youth ministry and CCA chapel gatherings
- Upgraded parking and outdoor fellowship areas to better serve weekend and weekday traffic

# PLANTATION CAMPUS

A bold plan is unfolding at the Plantation campus—one designed to meet urgent space needs and lay a strong foundation for ministry growth in the decades ahead. This plan offers more than just practical improvements—it's a long-term investment in gospel-centered ministry, family discipleship, and meaningful community life.

Currently, the campus is constrained by limited areas for fellowship, children's ministry, and youth ministry. The new plan addresses these challenges with a complete redevelopment, including the demolition of the existing youth building and modular classrooms. In their place, 47,000 sq. ft. of new construction will be seamlessly connected to the sanctuary building, creating an integrated environment for worship, learning, and community allowing families to thrive.

## THE VISION FOR THIS PROJECT INCLUDES:

- Dedicated middle and high school ministry areas, designed with students in mind
- A large-group assembly space for children's ministry to gather, grow, and encounter Jesus
- A spacious Generous Cafe and multiple meeting rooms to foster connection and hospitality
- Expansive fellowship space adjacent to the sanctuary, encouraging community before and after services
- A Calvary Christian Academy preschool, creating new opportunities for early childhood education
- New traffic flow and parking infrastructure to support a growing congregation

# CALVARY DOWNTOWN CAMPUS

In the heart of downtown, God has given us a space where people are finding community and a sense of belonging. Now we're stepping forward to renovate and renew it—transforming it into a space where people can find a church home that reflects the vibrancy of the city and the hope of the gospel.

At Calvary, we carry a burden to serve the most vulnerable in our city. Through a partnership with Hope South Florida, families in crisis are met with care—needs are provided for, dignity is restored, and the love of Christ is extended in tangible ways.

The vision is clear: strengthen families, restore spaces, and build a thriving downtown community that reflects the heart of Jesus.

# CALVARY HOUSE

Calvary House began in 1990 from a burden to help those battling addiction. What started in a double-wide trailer with just three men has grown into a seven-building campus that now houses 40 men and 12 women, offering a year-long, gospel-centered residential recovery program at no cost to the individual.

In a region where most recovery centers charge up to \$1,000 per day for short-term care, Calvary House remains one of the only free, year-long, church-run programs of its kind in the country. The impact has been profound: over 1,100 graduates and more than 1,800 recorded salvations—each representing a story of redemption, not just recovery.

Looking forward, the vision is to grow community space so more men and women can find healing in Christ and discover their God-given purpose. By expanding the capacity and care, this ministry can serve as a transformative resource for those who need it most.

**CALVARY HOUSE:**  
*A place of transformation  
for men and women.*

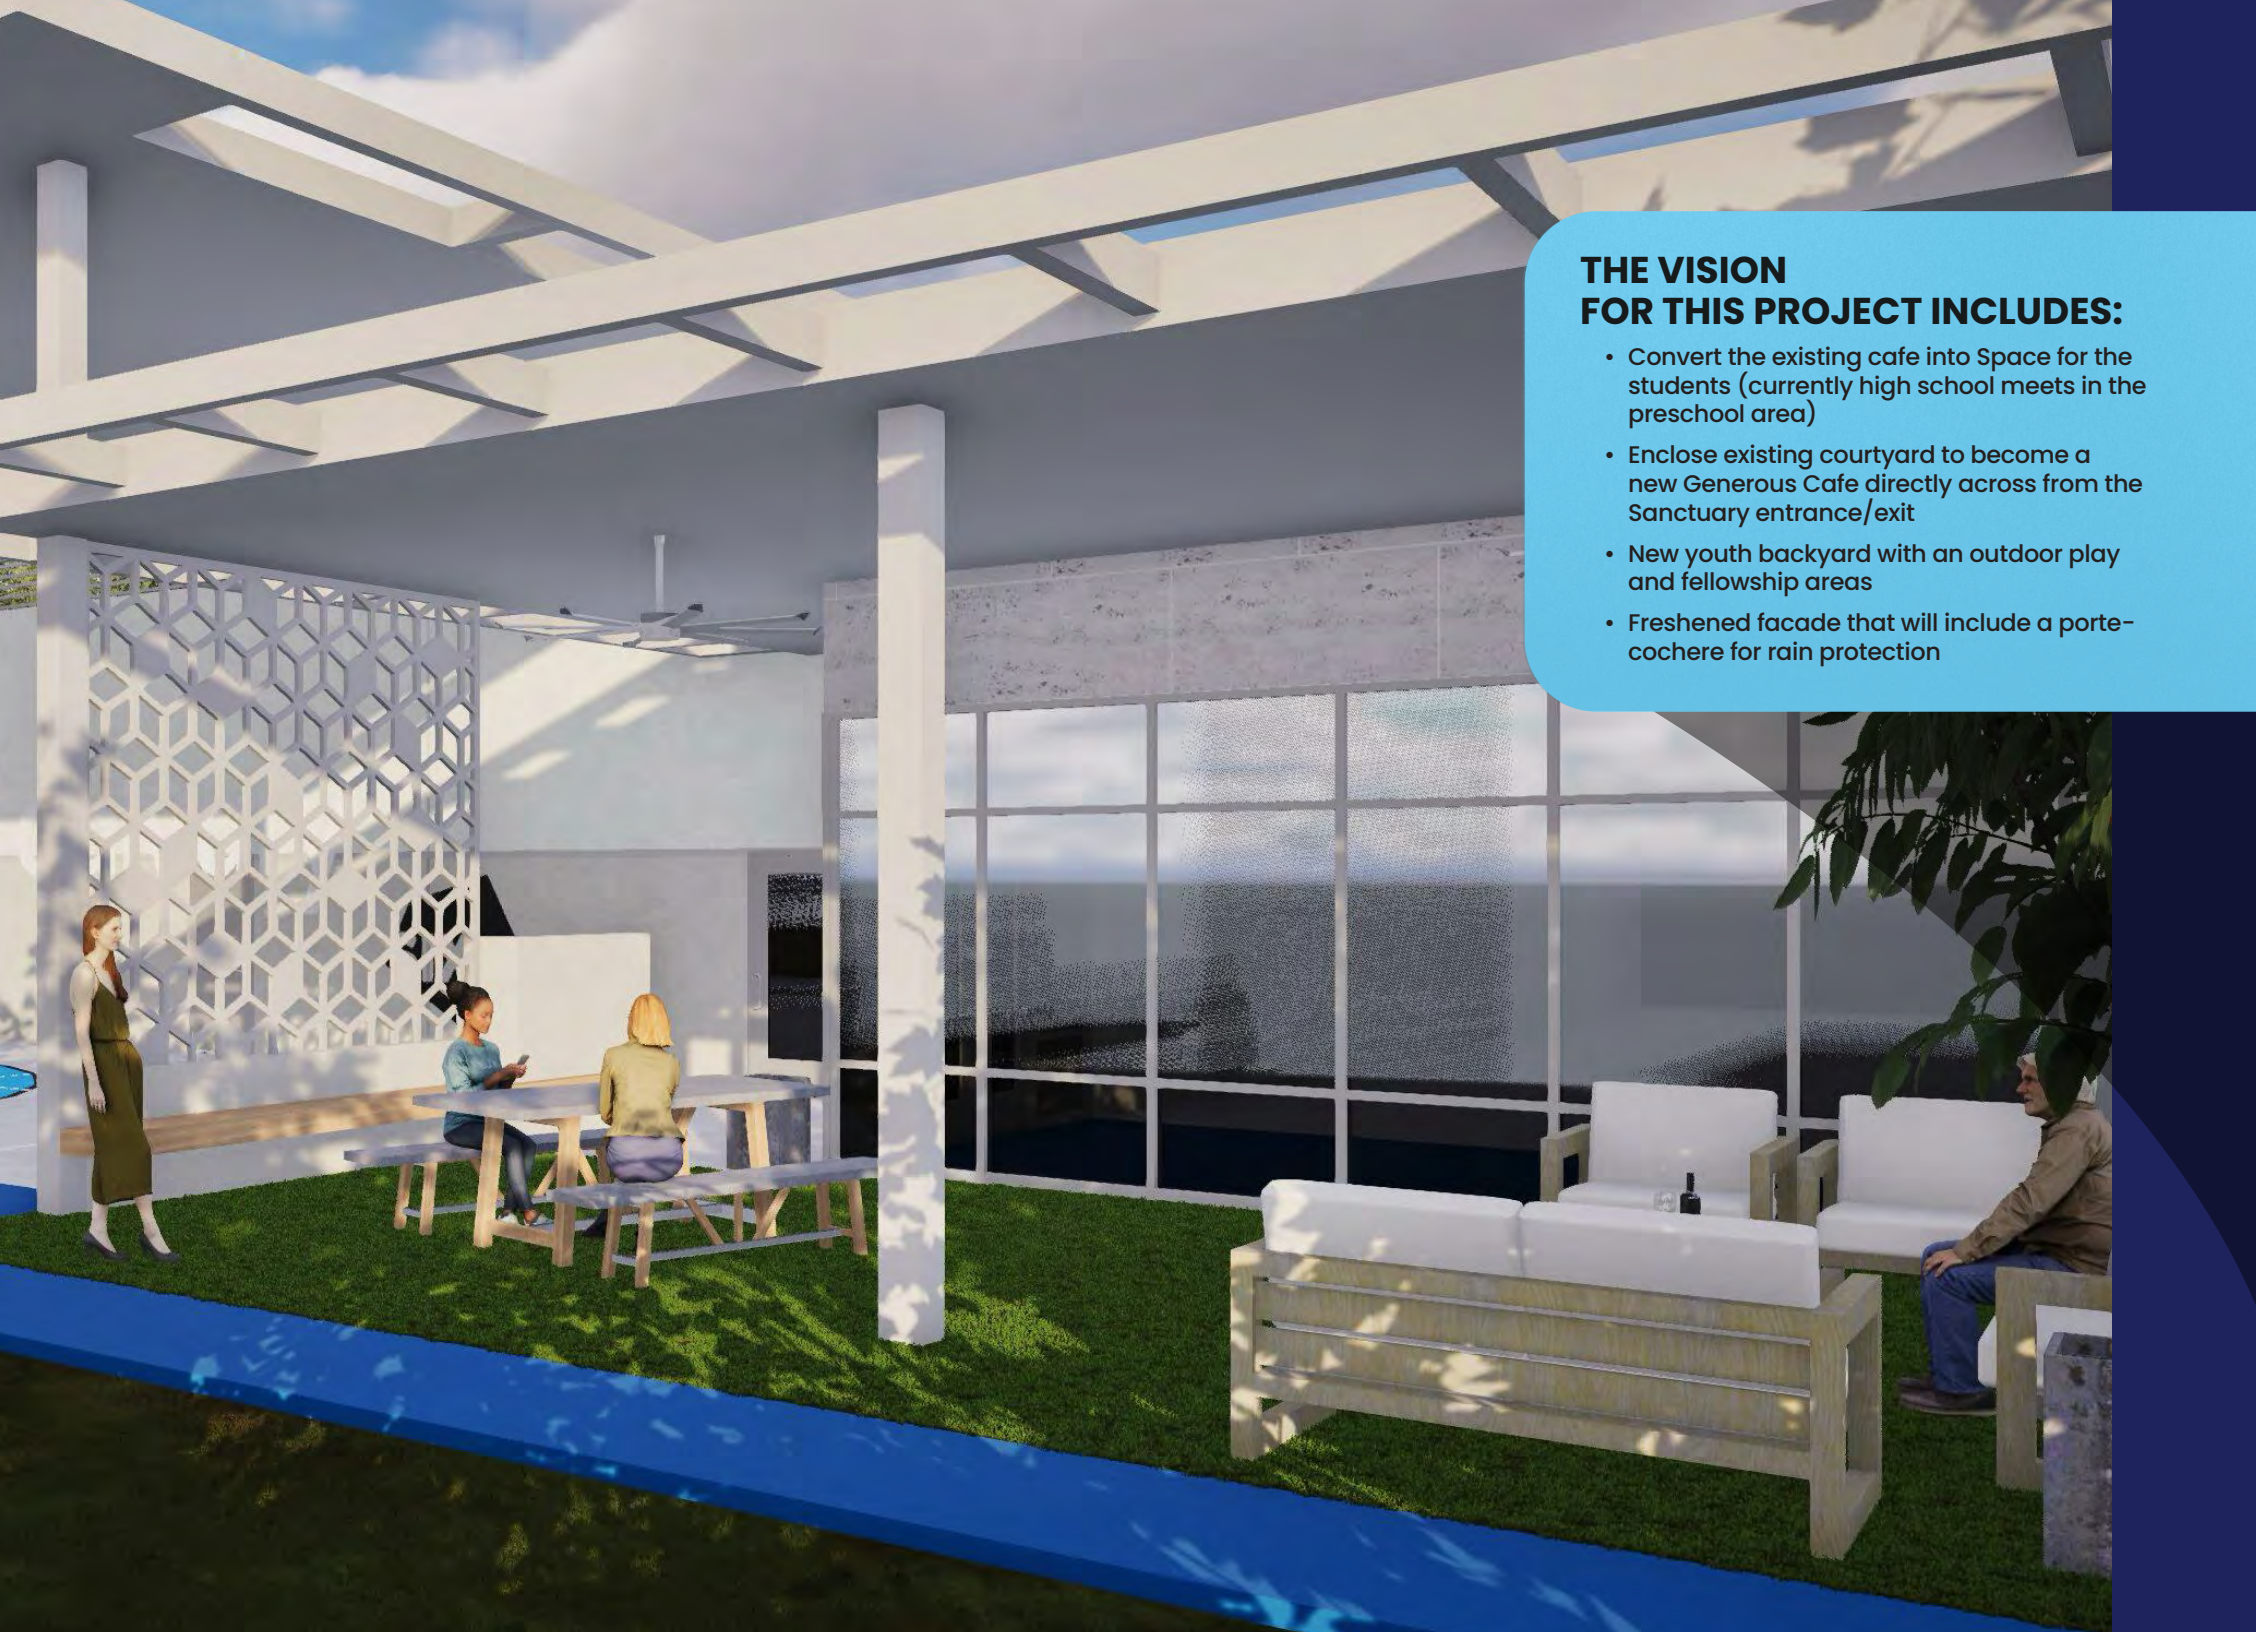

# BOYNTON BEACH CAMPUS

Space limitations have made it difficult for the youth ministry to grow and thrive. Middle and high school students currently meet in a small room adjacent to the Calvary Christian Academy preschool, limiting both their sense of identity and the potential for expansion.

A new plan addresses this challenge by enclosing the outdoor courtyard and improving and relocating the existing cafe to create a vibrant fellowship hub for the entire church. This creates approximately 1,800 additional sq. ft. of dedicated space for student ministry, giving middle and high schoolers a place to gather, grow, and call their own. The surrounding backyard area will also be activated for youth events and young adult gatherings—providing room to build deeper community and reach more of the next generation.

**SPACES FOR YOUTH AND GATHERINGS:**  
*Expanding the backyard at the Boynton campus to  
disciple the next generation and build lasting community.*

## THE VISION FOR THIS PROJECT INCLUDES:

- Convert the existing cafe into Space for the students (currently high school meets in the preschool area)
- Enclose existing courtyard to become a new Generous Cafe directly across from the Sanctuary entrance/exit
- New youth backyard with an outdoor play and fellowship areas
- Freshened facade that will include a porte-cochere for rain protection

# ADDITIONAL CAMPUS VISION

**The West Boca campus** features a generous backyard but lacks a suitable space for youth and young adult gatherings. The vision for this campus includes the creation of a new outdoor pavilion and gathering space specifically designed to host student events, after-school programs for the at-risk youth population, and church-wide fellowship opportunities. This project is part of a long-term plan to grow the West Boca campus and create meaningful spaces to reach the lost in this neighborhood.

**The North Lauderdale campus** faces similar challenges when it comes to youth ministry space. The current layout limits the opportunity for dedicated student environments. Efforts are underway to explore options for upgrading and expanding youth spaces, providing students with places to worship, learn, and find community.

**Both the Parkland and Pembroke Pines campuses** are growing. Parkland is seeing steady increases in attendance, but limited space and parking are holding it back from its potential impact. The ministry at Pembroke Pines is marked by rich community and active discipleship, yet the current facility makes it difficult to grow and reach more people over the long term.

## **OUTDOOR CONCEPTS:**

*This rendering of the backyard of our West Boca campus shows the development of a multi-purpose space for more ministry. It's also a model for similar campuses.*

# DIGITAL INNOVATION AND OUTREACH

Although the world is more connected than ever, many remain spiritually disconnected. Through digital innovation and global outreach, the mission is to bridge that gap by meeting people where they are: online, on their devices, and in their language.

This next chapter of ministry calls for bold, creative strategies that engage those who are far from God, as well as the rising generations—especially

Generation Z and Generation Alpha—who are forming their worldview through digital spaces.

This isn't simply about technology—it's about transformation. By building bridges through digital ministry, the church becomes a light in the digital landscape, bringing the good news of Jesus to those who might never walk through a church door.

## THE VISION INCLUDES:

- Expanding digital content and platform presence to reach those exploring questions of faith outside traditional church settings
- Investing in translation and localization efforts to make the gospel accessible in multiple languages and cultures
- Creating compelling, faith-centered media that communicates hope, purpose, and belonging across a variety of formats—short-form video, podcasts, devotionals, virtual reality, and interactive experiences
- Engaging digital missionaries and storytellers to share the message of Jesus in authentic, creative, and culturally relevant ways
- Equipping each ministry with the tools to extend their reach beyond physical walls and into homes, hearts, and communities across the globe

# CHURCH PLANTING: LOCAL & GLOBAL

The church is God’s instrument for transformation—both locally and globally. Healthy, gospel-centered churches breathe life into communities, restore brokenness, and proclaim the hope of Jesus. That’s why Calvary is deeply committed to church planting and ministry partnerships, both near and far.

This next chapter of ministry invites us to invest boldly in multiplying faith communities, resourcing leaders, and creating spaces where the gospel can take root and grow across cultures, languages, and borders.

By planting and supporting churches, we’re creating spaces where lives are transformed, families are restored, and communities are renewed in Jesus’ name.

#### **LIVES CHANGED:**

*Many stepped forward to receive Jesus at Calvary Español’s Easter service.*

#### **THE VISION INCLUDES:**

- Providing facilities and strategic support for emerging and existing churches around the world—ensuring they have the resources to serve their communities with sustainability and strength
- Expanding Calvary Español and the Parkland campus by establishing permanent locations that serve as vibrant, long-term ministry hubs for worship, discipleship, and outreach
- Partnering with local ministry networks and missionary teams to foster church growth and mobilize the body of Christ in both urban centers and unreached regions

# LEADERSHIP DEVELOPMENT AND TRAINING

The future of the church rests on the faithful formation of leaders—men and women growing in their identity in Christ and stepping boldly into their calling. Calvary's vision for long-term impact is rooted in raising up the next generation of leaders who will carry the mission forward with humility, conviction, and courage.

This next chapter of ministry is about more than skills; it's about discipleship. By providing tools, training, and a Christ-centered community, leaders at every stage can discover their gifts, grow in character, and take their next step on the discipleship pathway.

As leaders are formed in Christ, the mission is strengthened and the message of Jesus multiplies—shaping the church today and for generations to come.

## THE VISION INCLUDES:

- Enhancing leadership pathways through initiatives like Ethos, Lifework Leadership, and in-depth ministry training that prepare individuals for full-time vocational ministry and integrating faith and work in our cities
- Equipping pastors and leaders throughout South and Central America with biblical training and practical tools to lead vibrant, transformative churches within their cultural contexts
- Help support a Pastor Training Center in Africa to raise indigenous leaders who will disciple others, plant churches, and foster long-term spiritual and social renewal in their communities

### **ETHOS SCHOOL OF LEADERSHIP:**

*A six-month leadership program to empower and mobilize leaders to grow in their gifts and calling.*

# EXPAND CHRISTIAN EDUCATION GLOBALLY

As the need for Christ-centered education grows worldwide, so does the opportunity to shape hearts and minds for the glory of God. Through global expansion and strategic investment, we're answering the call to provide transformational education that's grounded in biblical truth and driven by a vision of flourishing communities.

This next chapter of ministry calls for bold, faith-filled steps to develop schools and leadership pipelines that will nurture the next generation—from preschoolers to emerging Christian leaders—both locally and internationally.

## THE VISION INCLUDES:

- Partnering with schools in Colombia, including Tierra Bomba and Cartagena, to expand classroom offerings, increase student engagement, and invest in solar energy to make education more sustainable and accessible
- Supporting Guatemala's growing educational infrastructure by developing much-needed classroom and auditorium spaces that will serve both students and the broader community
- Investing in the new school and new church plants in Mexico to empower young people through quality education, discipleship, and leadership development

### **NEW CCA CAMPUSES:**

*A new CCA campus and church facility in Guatemala.*

# YOU'RE INVITED

*The vision is to see an entire community in South Florida changed by the gospel, because a relationship with Jesus changes everything.*

We were once the one far from God, but He made a way for us to be near to Him. Now, He's inviting us to do the same for others. God's work is always one of transformation—and He's not done yet. He continues to reach the lost, as He uplifts the vulnerable and renews the broken.

God's writing a story of redemption, and you're a part of that story. This is the kingdom work we're invited to be part of through His church. He's equipped, empowered, and mobilized **us** to go after the one with the good news of Jesus Christ.

## THE GIVING GOAL:

# 100%

## ENGAGEMENT

Our foremost aim is to foster a culture of wholehearted engagement among every individual who calls Calvary their spiritual home with the entire Calvary family taking a joyful next step in their giving journey.

# \$85

## MILLION

In pursuit of the broader mission to impact our community and beyond with the love of Christ, we've established a secondary financial goal of \$85 million in giving over the next two years. This target encompasses our current annual giving level (\$30 million each year), while also providing additional resources to create innovative and dynamic spaces (\$25 million).

As we run towards this vision, we invite you to join us in going after the one. This vision transcends a building project or a fundraising need; it stands as a bold testament of our faith and dedication to advancing God's kingdom on earth. From one generation to the next, we eagerly anticipate the extraordinary ways God will use our collective efforts to touch lives for His glory.

## HOW YOU CAN CONTRIBUTE

A vision of this magnitude can only be realized through deep prayer, full generosity, and expectant obedience. It requires everyone to seek God's guidance in stewarding what He's entrusted to them, to give in significant and sacrificial ways, and to serve humbly and faithfully in order to change lives and transform our communities.

### 1 PRAY

We pray because we know God and answers. Join us in asking God to provide the resources needed to pursue this vision and fulfill His dream to be ready **For the One**.

### 2 ENGAGE

We want to continue to rely on God for our provision, direction, and calling. Learn more about the vision by:

- Visiting our vision site: [Generations.CalvaryFTL.org](http://Generations.CalvaryFTL.org)
- Meeting with a member of our Engagement Team (e-mail [Engagement@CalvaryFTL.org](mailto:Engagement@CalvaryFTL.org) or call 954-556-4499)

### 3 GIVE

Generosity isn't just about any particular dollar amount—it's a matter of the heart. Prayerfully ask God how He wants to utilize the resources He's given you. We believe this is a key moment for our Calvary family to give joyfully and purposefully so we can keep reaching our community and changing our

# NEXT STEPS

## ① Complete the Giving Worksheet

The Giving Worksheet (on the opposite side of what you're reading now) will take you step-by-step from your current annual giving amount to your new two-year giving commitment. The worksheet will also act as a Commitment Card (not a pledge), indicating your prayerful intention to expand your giving throughout the *From One Generation to the Next* generosity journey. Please place it in a tithe box or mail/e-mail it to the attention of the Engagement Team.

## ② Update your Pushpay Information

If you give through Calvary's digital platform (Pushpay), be sure to update your recurring gift amount and frequency to achieve your goal. Whether giving by text, tithe box, Donor Advised Fund, IRA, or from other assets, your gift will be processed as "Tithes and Offerings" (our One Fund) to support the mission to make disciples.
