CHAOS COORDINATE SYSTEM

The City of Santa Clarita proudly presents “Chaos Coordinate System,” an exhibition featuring oil paintings by artist Shuai Xu. The exhibition will be on view at the Newhall Community Center from November 17, 2023 through March 25, 2024.

In “Chaos Coordinate System,” Xu Shuai introduces paintings named after yet-to-be explored celestial entities. The pieces delve into the profound relationship between human perception and the vast expanse of the cosmos. Drawing parallels with his known land art and installations, Xu’s paintings resonate with the themes of reality, the self, and the transformative nature of these concepts. Bright, vivid colors guide viewers through brushstrokes that traverse various chromatic realms.

The city invites the community and art enthusiasts to visit the Newhall Community Center and engage with Shuai Xu’s compelling and thought-provoking artwork.
