# NISSAN MICRA BCH OFFERS

Offers available at Chorley Group until 31<sup>st</sup> March 2026

## THE LEGENDARY MICRA GOES ELECTRIC AVAILABLE AT CHORLEY GROUP NISSAN

The iconic Nissan MICRA is making a comeback, and this time it's going electric! Designed in Nissan's London office, the new MICRA electric car will be produced in France and is set to hit the UK market in late 2025. This exciting launch marks the fifth generation of the MICRA, which **originally rolled out in 1982**. Nissan has also announced that the brand new MICRA will offer choices for **40kWh and 52kWh batteries**, and the larger one is said to have an impressive range of **over 253 miles**.

It comes in six vibrant colors and offers three stylish interior options, featuring fabrics and synthetic leather for you to choose from:

**Authentic Blue / Black Roof - Elegant Silver / Black Roof - Rebel Red / Black Roof - Mystery Black / Grey Roof - Pure White / Black Roof - Nobel Marine / Grey Roof**

# NISSAN LEAF BCH OFFERS

Offers available at Chorley Group until 31<sup>st</sup> March 2026

## THE UPGRADED NISSAN LEAF IS HERE! AVAILABLE AT CHORLEY GROUP NISSAN

*"The pioneering LEAF is back and better than ever before with all new exterior & interior styling, advanced tech and improved range of up to 375 miles." - Nissan*

Since its debut in 2010, the Nissan LEAF has sold close to 700,000 units worldwide, earning its place in history as the world's first mass-market electric vehicle. Today, Nissan is ushering in a new chapter for this nameplate, re-designed and re-engineered to meet the needs of modern EV customers, while remaining true to its innovative roots.

Available in both 52kWh & 75kWh battery options, the new Nissan LEAF will be capable of producing a range of up to 270 & 375 on a single charge respectfully. This latest version of the Nissan LEAF will be proudly produced at the Nissan Sunderland plant which means it is - made in Britain, for Britain.
