NATURALIS

"Only nature does great things for nothing," said philosopher and writer Alexander Herz. The high-quality Naturalis collection shows just how right he was. The focus of this collection is on the finest linen wallpaper in numerous colour variants. Natural cork, water hyacinth, sisal, shimmering mica tiles and grass form the basis for further great structures on the wall. Bring the beauty of nature into your home and benefit from ecological advantages such as optimal indoor climate and sustainability through renewable raw materials.
