Your 7-Day Itinerary (subject to change)

Activity Level: Guests should be comfortable boarding and disembarking trains without assistance, walking and moving between cars while the train is in motion, and navigating steep, narrow stairs to the upper level of the observation car. All hallways are narrow and have handrails, but train travel can be unpredictable and some unexpected movement may occur. Guests who enjoy the relaxed pace of train travel will delight in spending much of the program's time on the railway. At brief train stop locations, ground may be uneven and covered in loose gravel, with no sidewalks.

Accommodations (subject to change)

The Canadian Railway hotels, a group of historic hotels built between 1886 and 1930 by the Canadian Pacific and Canadian National railway companies, were designed to promote rail travel and provide modern, luxurious accommodations for passengers as they traveled across Canada. This program includes one night each at two of the most well-known, iconic hotels.

FAIRMONT ROYAL YORK

Built by the Canadian Pacific Railway in 1929, it was the tallest building in Canada at the time, and featured magnificent architecture and luxury, including over 1,000 en suite guest rooms, a glass-enclosed roof garden, and a concert hall with a 50-ton pipe organ. It has recently undergone a five-year, multimillion dollar renovation to combine stunning, redesigned guest rooms with carefully preserved historic elements.

Located directly across from Union Station—and conveniently connected to the depot by an underground pedestrian walkway—this elegant downtown property is minutes away from the city’s best attractions, and features five restaurants, four lounges, an indoor pool, gym, spa, and business center.
