City of Colton Community Services Department

STAFF SPOTLIGHT

Meet Sarahi Quinonez

Sarahi Quinonez (Ms. Sarahi) joined the Community Services Department in January 2018. Coming from the fast-food industry when hired as a teacher's aide, she had never worked in the child development field before.

Ms. Sarahi quickly acclimated and became an integral part of the Early Care and Education Division (ECE) team. She enrolled at Riverside Community College, where she received her first units in Child Development and her Associate of Arts Degree. She continued school at Cal State University San Bernardino, and received her Bachelor of Arts Degree in Human Development with an emphasis on Child Development. She also has a Child Development Site Supervision Permit from the California Commission on Teacher Credentialing.

In 2022, Ms. Sarahi was promoted to ECE Site Supervisor, and is now in charge of the ECE Reche Canyon site, working primarily with K-6th grade children. Her heart will always be with the preschoolers, the age group that inspired her journey.

When not at work, Sarahi enjoys spending time with her family, friends, and two cats, Mickey and Mancha. She is a big fan of holidays, especially Halloween and Christmas. Traveling with her sister and mom is a priority on her list, and is excited to see where they go next!

Park Improvements

Parks are where we gather to relax, play, and connect with nature.

To ensure these spaces continue to grow and thrive for generations to come, the City is investing in a range of exciting upgrades across several parks and recreational areas.

We invite you to stay involved and share your input. Your voice helps shape the future of our parks!

Together, we are creating parks that celebrate Colton's natural beauty, active spirit, and commitment to future generations.
