Who We Are

Critical Innovation is the first UAE-based specialised company in the areas of analysing organisations' performance, determining performance gaps, planning for change, creating long-term plans, and implementing solutions. Critical Innovation uses the most valid and reliable international competitiveness reports, along with analysing and benchmarking the organisations' key performance indicators.

Our Vision

To support governments worldwide in enhancing their competitiveness capabilities, which will result in improving the state of the world.

Our Mission

To provide the private and public sectors with professionally tailored solutions that support their competitiveness and add value to their organisations.

Our Values

Critical INNOVATION

- Professional Transparency
- Global Leadership
- Customer Happiness
- Knowledge and Innovation
- Determination and Persistence
