AI FOR KIDS

SMART DIGITAL BOOKS FOR SMART GENERATION

AI FOR KIDS

An innovative digital program that relies on artificial intelligence as a teaching methodology for the introductory, preparatory and primary departments according to the annual progression specified by the Education Programme

Un programme numérique innovant qui s'appuie sur l'intelligence artificielle comme méthodologie d'enseignement pour les départements préscolaire et primaire selon la progression annuelle spécifiée par le programme d'éducation

OUR DIGITAL BOOKS

The digital books were tested with pre-school classes across many semesters for a period of six months
This experience has yielded amazing results and a clear development

Les livres numériques ont été testés avec des classes préscolaires sur plusieurs semestres pendant une période de six mois.
Cette expérience a donné des résultats étonnants et un développement clair
