NJF

Welcome to the 5th Annual National Jazz Festival

Welcome to the 5th Annual National Jazz Festival!

We are thrilled to have you join us for our largest festival yet, showcasing the incredible talent of 68 ensembles from 50 schools across 15 states. This truly is an extraordinary gathering that celebrates youth performance and jazz music.

First, we would like to extend our deepest gratitude to all the students and directors who have dedicated their time, passion and endless hours of practice to bring their performances to us. Your hard work and dedication is commendable, and we applaud your commitment to preserving the timeless art of jazz.

A heartfelt thank you goes out to our devoted volunteers, adjudicators and supporters who have given time and energy to make this festival a resounding success. Your support and selflessness play an integral role in creating a welcoming atmosphere for all attendees. We are incredibly grateful for your contributions and we extend our sincere appreciation for your belief in the power and importance of jazz education. Your support allows us to continue to provide a platform for young musicians to grow as artists. Through your generous contributions you have helped shape the future of jazz.

As we gather here today, we pay homage to Dave Brubeck's iconic composition "Take Five." This standard serves as a reminder of the rich legacy of jazz, and it symbolizes our collective commitment to celebrating and preserving the profound legacy of this genre.

Lastly, we would like to acknowledge the exceptional effort of the NJF's founder, Joe Bongiovi, who served as president of this festival from its inception until April 30, 2023. Joe's leadership, vision, and dedication have been instrumental in bringing this festival to life. We are grateful that he will continue to consult and bring his expertise to help ensure the growth of the festival for years to come.

Once again, we extend our warmest welcome and gratitude to everyone who has contributed to the success of the 5th Annual National Jazz Festival. May this celebration of jazz inspire and uplift us all.

Sincerely,

National Jazz Festival Team

*VJC Publications offers
exceptionally creative*

JAZZ ENSEMBLE REPERTOIRE

with a special focus on fresh, unique, convincing **flexible instrumentation charts** for 11 to 18 pieces. Nearly every big band selection released by VJC Publications is a **flex chart**. And these are flex charts without compromise: They sound fantastic with just the minimum instrumentation and sound **even better** with a full jazz ensemble.

If the size of your jazz program varies from year to year, VJC Publications charts are a great investment for your ensemble library. Our roster of incredibly talented composers and arrangers includes Dave Rivello, Tom Davis, Jhoely Garay, Jueun Seok, Tom Wolfe, VJC Founder Russell Schmidt & more. Our growing library of charts is available to purchase online as digital downloads.

Scan the QR Code to navigate to the VJC Store. Use the Coupon Code NJF25 at checkout to receive 25% off all VJC Publications purchased by 02/29/2024. And go to Valley Jazz Cooperative's YouTube channel to hear this remarkable music!
