Our funeral home's cremation policies adhere to all germane Iowa Administrative Codes and/or Rules & Regulations including Chapters; 100, 156, 144C. Our policy requires identification of remains prior to cremation by the next of kin or their representative.

Because we share your concern about proper cremation procedures, we established Cedar Rapids' first funeral home crematories operated only by licensed funeral directors. In Spring 2001, we opened one of Iowa's most technically advanced crematories on the Cedar Memorial campus. We are able to serve you from two locations - the Cedar Cremation Center and the Cedar Memorial Funeral Home. We believe those who compare our cremation facilities, staff, procedures, prices and our reputation for excellence since 1888 will conclude we offer unsurpassed quality and value.
