"SAFER INTERNET STORIES"

When the sunrise shines,

When the darkness falls,

We'll rise up against the fear,

We'll try to reach the everlasting light,

Hope is knowing there's light behind the
clouds.

FRIENDSHIP

Friendship is saying the truth even if it hurts

Friendship is being available when others need you

**Friendship is sharing funny posts or video and laugh
about them together**

BE SOMETHING

If I were a bird I would fly as high as possible

*If I were a lawn I would make every flower
bloom*

*If I were the sun I would make every day
bright*

If I were a dog I would bark as hard as I can

If I were a clock I would be everytime on time

*If I were you I would always wish to be
something different.*

ACTUALITY

WE WILL RISE FROM THE FEAR

WHICH GOVERNED LAST YEAR.

WE WILL SING ALL TOGETHER

ALONE ON A BALCONY NEVER.

WE WILL RISE FROM DEPRESSION

AND TO ALL SPREAD AFFECTION.

WE WILL FINALLY FIND SOME FLOUR

FOR THIS IS NOT OUR FINAL

HOUR.

HAPPINESS

Don't let little stupid things break your happiness.

If it costs you your peace it's too expensive.

Today's teardrops are tomorrow's rainbows.

Be Happy
