A man with short blonde hair, wearing a grey long-sleeved shirt, sits on a wooden bench. He is looking towards a large, fluffy brown dog sitting on a blue mat next to him. The dog is looking back at the man. In the background, there is a large abstract painting with blue and white textures. A small red cup sits on the wooden bench between them.

YOUR PARTNER IN #CRIME

Dear Partners and Clients,

We're excited to present our selection of premium content for Fall and Winter 2024. Our carefully curated collection spans a wide range of genres and is designed to captivate audiences across the globe.

One of our season's highlights is the international success that is the beloved series, *Vet Jacobs: Agent on Occasion*, a popular Light Crime series recently sold to Italy. This prime-time favourite continues to deliver top ratings in Germany with a market share of 29.7 % on ARD, blending humour, and engaging crime stories. What sets it apart are the unique and deeply human relationships between the main characters, adding a special emotional depth to each episode.

We are also proud to introduce *Dangerous Truth*, our high-end event series premiering on ARD in early 2025. This gripping spy thriller explores the true background of the events leading up to the Iraq War, told through a unique father-son dynamic.

Our diverse catalogue doesn't stop there. From Feel Good content and Family Entertainment to riveting Documentaries, we've curated a collection that appeals to a diverse array of tastes. Whatever your audience is seeking, our line-up has something to captivate and inspire.

We invite you to explore our catalogue and talk to our team to curate the perfect content for your programming needs. With our versatile portfolio, we help you deliver exactly what your audience is looking for.
