About Letsbuyhealthcare

Letsbuyhealthcare Limited is a company incorporated in Ireland (Company Number 604764) with registered offices at 5th Floor, Connaught House, 1 Burlington Road, Dublin 4, Ireland, D04 C5Y6. Our VAT number is IE3472374JH.

We are a consumer comparison website that advertises and offers services provided by private healthcare suppliers. We operate as a "profit for purpose" enterprise.

Our Services

We ask consumers to register on our website (www.letsbuyhealthcare.com) and provide their name, contact details, and other relevant information.

We arrange for private healthcare providers (e.g., private hospitals) to present information and prices for all-inclusive healthcare packages on the Letsbuyhealthcare website. This information is presented in a way that is informative and allows consumers to choose the treatment and provider they require.

Typically, healthcare providers supply Letsbuyhealthcare with:

- The provider's preferred rate for delivering the treatment(s).
- An indicative waiting time for the treatment.
- A description of the healthcare that will be provided.

Once we have this information, we present the offer(s) from the healthcare provider on the Letsbuyhealthcare website. Consumers are free to choose whether or not they wish to progress with their treatment, accept the healthcare provider's offer, make a booking, and optionally pay an online deposit (or the full price) directly to their chosen provider.

Fees and Commission

We provide a service to the healthcare providers, and a fee or commission is separately agreed upon with those providers. Letsbuyhealthcare can earn a commission on its activities by agreement with private healthcare providers. The structure and rate at which that commission is agreed may vary from provider to provider.

Our Liability and Advisory Services

Letsbuyhealthcare has no hand, act, or part in the provision of healthcare, and we have no responsibility or liability whatsoever for any additional cost that arises and/or the quality of the service provided by any private healthcare provider, its employees, its suppliers, or its contractors.

We do not engage in any advisory services in relation to any of the healthcare offers presented by healthcare providers on the website. The healthcare provider will provide any advisory services relating to the healthcare services offered.

Conflicts of Interest

We aim to avoid any conflicts of interest when providing services to our members. However, should an unavoidable conflict of interest occur, we will advise affected members in advance.
