"My great nephew in 1st grade gave each of his classmates a Polar Express Bell including his teacher and Safe Program staff. He received many joyful "thank you" from child to adult. One morning long after Christmas I heard that familiar beautiful sleigh bell ring. It was one of his classmates arriving to the Safe Program who had the sleigh bell still tied to her backpack. Easton and I both smiled. The safe program teacher told me she had hers tied to her backpack through the Christmas season. Awesome gift that brings out the JOY of the season in everyone's heart !" –Debra
