Pren

Specification

BISLEY

A collection of freestanding lockers, wardrobes, and cupboards that make specifying your entire storage system refreshingly simple.

With purpose beyond storage, Pren's freestanding units act as zone dividers throughout the office, creating defined neighbourhoods wherever you need. And with contrafacing units available at different heights, you can accessorise them with planter tops for the added benefits of mood-boosting biophilia, or create an extended, standing height workbench with a sleek oversailing top.

Spanning classic, warm wood-effect tones and solid colour finishes, Pren is available in a variety of laminates, matching LockerWall's broad palette, creating symmetry for your storage.

LOUIS VUITTON
MARC HOM

Features & Benefits

All products within the Pren range are 500mm deep, meaning your lockers, cupboards and wardrobes can be combined into neat, flush storage runs to suit your workspace.

All units come complete with matching back panels, side panels and plinths, meaning no additional cladding panels need to be specified for a seamless finish.

The back panel is oversailing with full width rear plinth detail. When Pren units are contra faced, the front and rear horizontal join lines are matching.

All Pren products have been designed with logical internals in mind, so specifying your workspace storage is simple and hassle free.

A range of locking options have been included in the range, from non locking to RFID.

Optional oversailing decorative tops are available in matching and contrasting finishes.

Complete your storage system with integrated planters that are available in multiple laminate finishes.

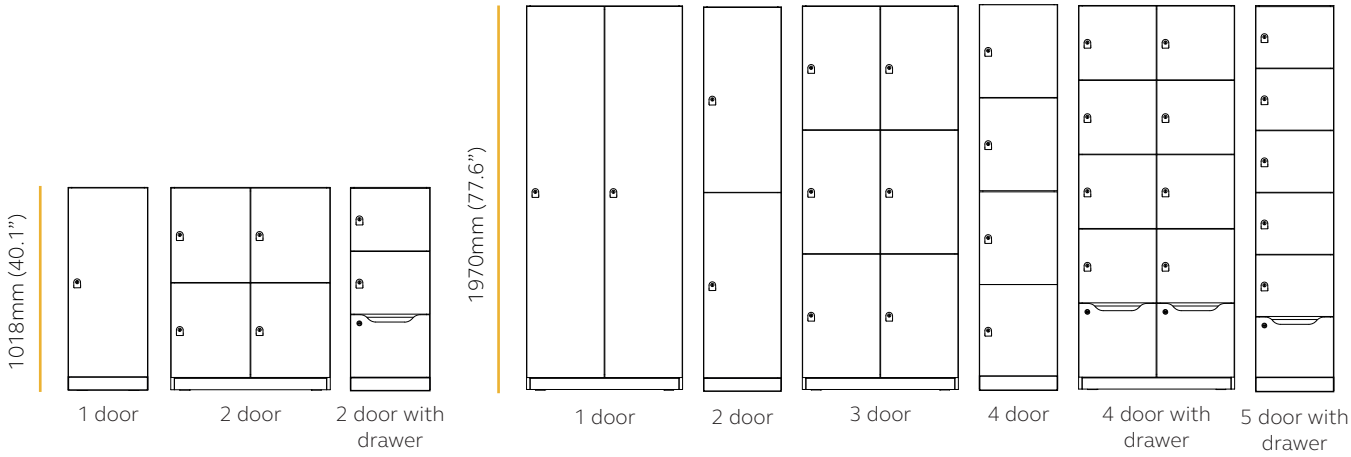
Range Overview

All units are 500mm (19.7”) deep

Lockers

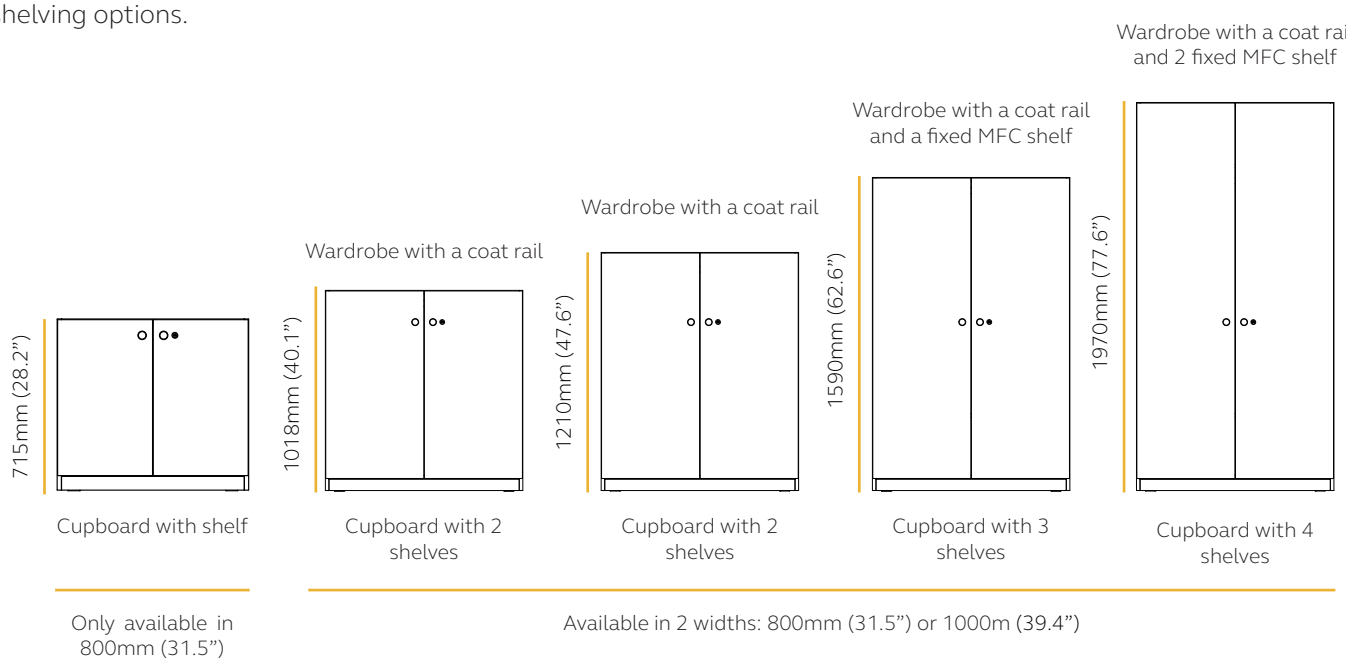
All Pren lockers are available in single or double columns. Alternating examples are shown below for illustrative purposes only.

Single lockers are available in 400mm (15.7”) wide.
Double lockers are available in 800mm (31.5”) wide.



Wardrobes & Cupboards

Pren Wardrobes are available with a choice of coat rail and shelving options. Pren Two Door Cupboards are available with a choice of shelving options.



Cupboards & Wardrobes

Two Door Cupboards

Specification Notes

Locking Options

All Pren Two Door Cupboards and Wardrobe Units are listed as non locking.
All Pren lockers are listed with AB locking.

For the below alternative locking options on Two Door Cupboards and Wardrobe Units change '**NL**' to the relevant locking suffix.

On locker units change '**AB**' to the relevant locking suffix.

For example:

For **AB** lock on Two Door Cupboard - SC0807S020**NL** becomes SC0807S020**AB**

Please note: Pren Wardrobes, Cupboards and Drawers are only available with AB, M2 or M3 locks as standard.

Please contact your Bisley representative for information on alternative locking options including smart locking software.
