TRUFFLE HUNTING, CHEESEMAKING AND CENTURIES-OWNED
ORGANIC VINEYARDS AWAIT ON THIS CULINARY JOURNEY

Dear Texas Ex,

Join us on a nine-day immersive journey discovering Italy's enchanting Piedmont region, where prestigious wines meet exquisite gastronomy against a backdrop of unparalleled natural splendor.

Nestled at the foot of the majestic Alps, this diverse landscape beckons with its captivating blend of vineyard-draped hillsides, quaint villages and lush valleys. Delve into a tapestry of culture and history, wandering among ancient castles, time-honored wineries and UNESCO World Heritage Sites, each offering a glimpse into the region's rich heritage and timeless allure.

Your magnificent home base during this exciting week is a private 10-room villa in the heart of the UNESCO World Heritage Site—Vineyard Landscape of Piedmont. The property's traditional architecture, with its stone façade and terracotta roof tiles, blend seamlessly into the surrounding countryside. Inside you're enveloped in a sense of serenity and sophistication, where modern comforts harmonize with rustic charm.

This outstanding itinerary is brought to you by the Texas Exes Flying Longhorns travel program, which supports the association's mission of promoting and protecting The University of Texas at Austin and uniting its alumni around the world. While you do not have to be an alumnus of UT to travel with us, we do ask that all Flying Longhorns travelers have an active membership in the Texas Exes. Memberships start at just \$50.

The association is a huge proponent of continuing education and there is no better classroom than our world. Experience stunning natural beauty and rich culture in the company of your fellow Longhorns! Are you ready for the adventure of a lifetime? We're standing by to answer all of your questions and/or take your reservation. Capacity is limited on this popular program and it may sell out quickly.

To secure your spot, please contact the Flying Longhorns travel office at 800-594-3900 or travel@texasexes.org with questions or to make a reservation.

Best regards,

Your Flying Longhorns Travel Team:
Margaret, Janice, and Alysha

Overnight: Villa delle Nocciole (D)

Day 3: MONTEU ROERO After breakfast set off on a truffle hunting excursion at a nearby farm. Meet Luca and his trusty canine companion before venturing into the picturesque woodlands in search of the prized fungi.

During the walk gain insight from Luca into age-old techniques and time-honored traditions of truffle hunting, passed down through generations. Following the hunt return to the farm for a delectable lunch. Continue to a historic winery that's been producing extraordinary varietals for 17 generations. Join the proprietor for a tour and tasting followed by dinner.

Overnight: Villa delle Nocciole (B,L,D)

Day 4: CANALE Enjoy a traditional Italian breakfast before changing into comfortable clothing for this morning's activity—an easy e-bike cycling excursion to Canale. On the way, stop at Monteu Roero's church and attached café for refreshments. Continue to a winery for a rare opportunity to sample the region's unfermented grape varieties followed by a wine tasting. Arriving in charming Canale, wander the bustling market to procure ingredients for this afternoon's cooking class back at the property. Enjoy lunch on your own before returning to the villa by minivan. There will be time to refresh before joining together for an interactive cooking class with your private chef followed by dinner.

Overnight: Villa delle Nocciole (B,D)

Day 5: MONTEU ROERO Roll up your sleeves for hands-on activities at a local goat farm. Learn traditions and techniques surrounding cheese making, concluding the visit with a tasting at the farm's aging grotto. Later visit a winery for a tasting and lunch hosted at the owner's home. Return to the villa walking the "grand chestnut path"—an impressively scenic walk alongside a chestnut forest. Alternatively return to the property by motor coach. The remainder of day is at leisure.

Overnight: Villa delle Nocciole (B,L)

Day 6: TURIN Depart for Turin by motor coach for a guided walking tour. Strolling along the elegant avenues and picturesque squares you'll encounter architectural masterpieces including Palazzo Reale, the Palazzo Madama and the iconic Mole Antonelliana, whose towering spire dominates the city skyline. Enjoy lunch on your own with time to explore independently. Tonight features a special treat—a *giropizza* (literally a "tour of pizzas") at the property. Our specially trained *pizzaiolo* (pizza maker) will craft an array of wood-fired pizzas featuring a variety of authentic flavors including black truffle, a typical Piedmontese topping.

Overnight: Villa delle Nocciole (B,D)

Day 7: BRA | POLLENZO Visit the birthplace of the Slow Food movement. Immerse yourself in the ethos of Slow Food while exploring Bra's lively markets and artisanal shops, then gather for lunch. Afterward continue to the University of Gastronomic Sciences, an institution committed to promoting a holistic understanding of food that goes beyond mere sustenance to encompass its social, cultural and environmental significance. Enjoy a guided visit to the The Wine Bank, whose extensive collection of varietals spans the length and breadth of Italy's wine regions. Return to the villa for a casual dinner followed by an evening at leisure.

Overnight: Villa delle Nocciole (B,L,D)

Day 8: ALBA Set out for Alba by motor coach. Renowned for its picturesque avenues and historic landmarks above ground, Alba holds a hidden treasure beneath its surface—the Roman undergrounds. Touring this ancient network of tunnels, chambers and galleries offers a fascinating glimpse into Alba's rich history. Lunch is on your own before returning to the villa for a final afternoon to indulge in the tranquil surroundings. Later prepare for a special farewell dinner at a Michelin-starred restaurant, capping off a memorable week of exploration.

Overnight: Villa delle Nocciole (B,D)

Activity Level: Activities are generally not very strenuous, however we expect that guests can enjoy two hours or more of walking, are sure-footed on cobble surfaces, and can walk up and down stairs without assistance. There is no elevator on the property. Historic city centers are usually more accessible by foot than by vehicle, and sometimes it is not possible for your motor coach to drop you off at site entrances. Due to the structure of some buildings, facilities for those with mobility issues may be limited. Also, dexterity to use kitchen tools and participate in lessons is not necessary but adds to the enjoyment of this program.
