Ana Tawawa - Showroom Supervisor

Great things come in small packages

The new iCombi RATIONAL XS

Need cooling?

The complete commercial range of freezers and coolers available in your colour needs

It is truly an honor being able to showcase the vast array of brands we sell. We are currently in the process of setting up our showroom and I'm very excited to welcome our clients to view our products.

Ana Tawawa
Showroom Supervisor

Great things come in small packages!

On a footprint of only 1m² the RATIONAL XS is a perfect fit for the home kitchen.

You can fry, roast, grill, steam, poach, bake and it cleans itself.

Cook and bake like a professional - unrivaled quality in no time.

Need cooling?

Single door, double/triple door, stainless steel or glass, undercounter or upright - any option to suit.

All refrigeration options can be 'coloured your way' to match your decor!
