THE TEKZONE WORKSTATION HUTCH

IDEAL FOR A RANGE OF ENVIRONMENTS

MOBILE WORKSTATION

With Rousseau's TekZone workstation hutch, you can create a personalized and organized workspace. By adding accessories from the wide range available, you can keep the area organized while completely freeing up the work surface. Rearranging the layout of accessories is quick and easy and requires no tools, so your hutch can evolve to suit your needs.

TEKZONE IS SYNONYMOUS WITH EFFICIENCY AND PRODUCTIVITY. EVERYTHING IS WITHIN ARM'S REACH.

In addition, the ingenious pull-down door mechanism allows you to open and close the hutch smoothly and securely. With the full-width ergonomic handle, you can open the door with any hand position. The door is also fitted with a lock to protect the contents of the hutch. An L50 electronic lock is also available as an optional add-on.

Cable management is easy and efficient thanks to the different power feed panels, charger shelf, and supports for lamps and electronic equipment available.

STATIONARY WORKSTATION
