1926

Meadow Grove Country Club (9 Holes) established.

1955

Inverness Golf Club becomes a private member-owned club.

1938

Arthur T. McIntosh purchased Meadow Grove and 40 adjoining acres, renaming it Inverness Golf Club and expanding the course to 18 holes.

1959

Clubhouse destroyed by fire and rebuilt the same year.

The place to be. The place to belong.

Our Club's story began in 1926, when the Cudahy Packing Company established a retreat on these grounds. Thoughtfully shaped by rolling terrain, a clear meandering stream, and the dedication of local farmers using horse-drawn equipment, the original nine-hole course preserved the natural contours of the land and became known as Meadow Grove Country Club.

That original layout marked the beginning of a tradition that continues to thrive today. While we take pride in honoring our history, it is the community that gives this place its lasting meaning.

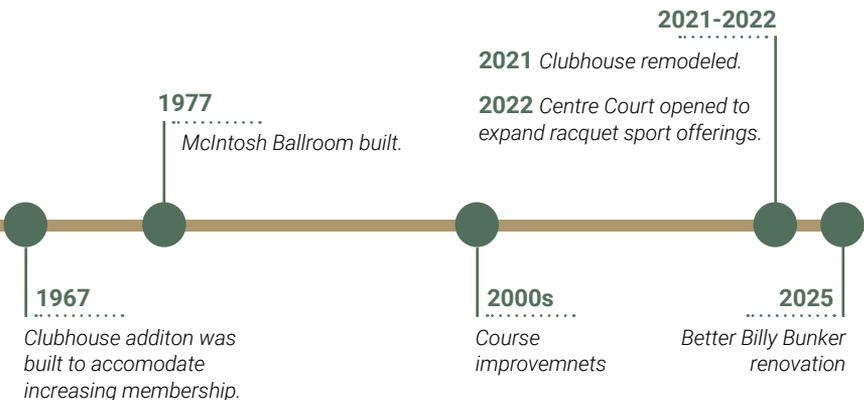

From its earliest days, this Club has been more than a place to play golf. It has always been a gathering place where friendships grow, traditions are shared, and a true sense of belonging is felt. Whether you are refining your golf game, enjoying tennis, pickleball, or paddle, or simply spending time with fellow members, this remains the place to be and the place to belong.

From competitive tournaments and elegant social events to relaxed, family friendly moments, your participation and enthusiasm shape the experience here. The camaraderie, energy, and commitment of the membership are what continue to define this special community.

Thank you for being part of this enduring tradition and for helping carry it forward. We look forward to many more moments shared on the course, on the courts, and throughout the Club as we build upon a legacy more than a century in the making.

Sincerely,

The Management Team of Inverness Golf Club

MEMBERSHIP FINANCIAL GUIDELINES

Effective January 1, 2026, Inverness Golf Club will implement updates to its dues and billing structure to ensure the continued care of Club facilities and the delivery of high-quality member services.

Operational dues will increase to properly support the Club's fixed costs and help achieve breakeven performance on an annual basis. Capital dues will also increase, providing a reliable source of funding for ongoing maintenance, replacement needs, and future improvement projects. These updates form a stronger financial foundation and reduce reliance on special assessments.

To enhance member value and simplify Club policies, the Food & Beverage minimum has been eliminated for all members. The annual golf guest obligation has been reduced from \$1,250 to \$750, providing greater flexibility when hosting guests. The Congressional model is applied only when necessary, ensuring that any additional contributions remain tied to actual usage and membership type. This includes food and beverage purchases as well as golf guest fees beyond the annual \$750 threshold.

These guidelines are designed to maintain fairness among membership categories while supporting the high standards of service and facility upkeep expected at Inverness Golf Club. The strengthened financial structure will enable the Club to responsibly address deferred maintenance, make targeted improvements to amenities, and meet long-term financial commitments with confidence.

We thank all members for their support and cooperation as we continue to reinforce the quality, tradition, and overall experience of Inverness Golf Club.

**INVERNESS
GOLF CLUB**

2025 Course Map

Our Golf Professional Staff proudly upholds the rich traditions and heritage of Inverness Golf Club. Golf here is more than a game. It is a shared experience built on integrity, camaraderie, and friendships that last a lifetime.

During the golf season, members enjoy the Men's Tuesday Night League, Ladies' 9-Hole League, and Ladies' 18-Hole League. In winter, our Simulator Golf League keeps the spirit of competition alive indoors. League play is a great way to meet new people and strengthen bonds within our Club community.

Tee times may be reserved through Foretees or by calling the Golf Pro Shop. Members hosting guests for tournaments or friendly rounds should review guest policies on the Member website.

PACE OF PLAY

Inverness Golf Club is dedicated to keeping every round fun and flowing. While pace can vary with time, weather, and other factors, our goal is 18 holes in four hours.

Each IGC cart is equipped with an 8-inch TagMarshal GPS unit to track pace, close gaps, and allow food and beverage orders ahead of time, reducing wait times and keeping play moving.

All members are encouraged to be mindful of their group's pace, whether playing with members, guests, or family. Pace of play is everyone's responsibility. Practice "ready golf" by preparing for your next shot in advance, being ready to swing when it's your turn, and moving promptly on or around the greens.

EQUIPMENT POLICY

Non-Conforming Equipment

Any club declared non-conforming by the USGA may not be used in any IGC golf event. The penalty is disqualification. Scores made with non-conforming equipment may not be posted for handicap purposes.

TEE GUIDELINES

Rule of 80

Players whose age and handicap combined equal 80 or more may use the Intermediate Tees.

Rule of 85

Players whose age and handicap combined equal 85 or more may use the Men's Forward Tees.

These rules apply to the LaLonde, Inverness Cup, Tuesday Night League, Whirlaway, Derby Days, Invitational, and Ryder Cup events.

Tee times may be reserved by phone, in person, or via Foretees. Groups may be singles, twosomes, threesomes, or foursomes. Members may reserve only one tee time, and all names on starting sheets must be other members. Violations may be reported to the Golf Committee and could result in forfeiture of tee times.

10TH OR 1ST TEE START

Players may begin on the 10th Tee only with permission from the Professional or Assistant Professional. Players starting on the 1st Tee have priority when making the turn.

TWOSOMES AND THREESOMES

Twosomes or threesomes may be asked to accept additional players. Between April 15 and October 1, no group may exceed four players. Exceptions are at the discretion of the Golf Professional.

WEATHER CONDITIONS

The Grounds Superintendent may suspend play if weather could damage the course. During major events such as Whirlaway, Derby Days, and the Invitational, the Golf Committee Chairman and Golf Professional will be involved in decisions to suspend or postpone play. The Golf Professional may also suspend play if conditions are hazardous.

A long siren blast from the Golf Pro Shop signals all players to clear the course immediately. If play is suspended, results will be based on the maximum number of holes completed by the field. Prizes may be adjusted at the discretion of the Golf Professional and Event Chairman. Event-specific rules take precedence when applicable.

GOLF COURSE RULES

The Golf Professional may amend rules at any time to ensure full enjoyment of the course for all Members. Members should submit requests respectfully and accept the Professional's decisions graciously.

The Golf Professional and Assistant Professionals oversee all tee operations and golf activities. They ensure compliance with rules regarding tee times, caddies, carts, score posting, guest registration, and etiquette. Any violations may be reported to the Golf Committee.

Golf Cart

Usage

GENERAL

Use of a cart on the course is a privilege, not a right; it may be withdrawn. Failure to comply with the rules invites loss of golf privileges.

Cart users have no priority over other golfers. No group is required to let carts through except as they should let any players through.

Guests requiring carts due to physical handicaps may have carts reserved, as may similarly certified Members.

There is a fee for pull carts and powered carts. See the CLUB FEES page 57 for details.

RENTAL

Members with certified physical handicaps may reserve carts in accordance with posted regulations.

All carts must be returned to the Pro Shop a ½ hour before sunset. Due to safety and insurance regulations, this rule will be strictly enforced.

OPERATION

- When using power carts, at least one caddie with the group is strongly recommended (i.e., to rake traps, replace divots, etc.). If caddies are not available, it is the responsibility of the operators to perform these greens-keeping duties.
- In an attempt to spread the resultant wear, it is not required that carts be confined to the rough; rather, they are to be driven everywhere their use is not prohibited.
- Carts may not be driven within twenty-five feet of tees or within thirty-five feet of greens on the fairway side. They must stay out of the roped off areas.
- Power carts are limited to two riders and two sets of clubs. In instances where there is a shortage of power carts and caddies, an exception as to the number of sets of clubs may be made by the Golf Professional.
- Operators are further required to observe a number of considerations which may be posted on bulletin boards or cart signs from time to time (i.e., weather related restrictions), and may not use carts on the course when notified that it is closed to carts.
- Caddies are not allowed to drive golf carts at any time.
- Sons, daughters and guests under 17 years of age are not permitted to drive golf carts at any time.
- Caddies are not allowed to ride on the back of golf carts at any time. This includes before and after "shotgun" events, weather delays, or under any circumstances.
- All persons in a Golf Cart must keep their feet in the cart at all times.

Guest play is strongly encouraged. Each Member should acquaint themselves with the Guest Rules, which are stated under the Golf & Tournament Rules section of this directory. Guests in need of rental equipment, may rent quality sets from the Golf Pro Shop.

Racquets

Information

Experience the excitement of the Racquets community at Inverness Golf Club, where the possibilities are endless. Our program offers the trifecta of racquet sports: tennis, pickleball, and paddle, in a welcoming, fun, and intimidation-free environment that encourages improvement, success, and lifelong enjoyment.

Play tennis on our four premier Har-Tru courts from mid-May through October. Join a cardio tennis session or participate in leagues, clinics, tournaments, and events for all skill levels.

Pickleball is a fast-growing, social, and easy-to-learn sport. With guidance from our Racquet Professionals, clinics and open play opportunities help you master the game and enjoy both social and competitive play from mid-April through November.

Stay active all winter long with paddle. Since the installation of our courts in 2022, the program has quickly become a member favorite. Whether you are competing in league play or enjoying a casual match with friends, paddle at Center Court offers camaraderie, challenge, and fun for all ages and skill levels.

With outstanding facilities and programs year-round, you and your family will love the energy and community of Racquets at Inverness Golf Club.

Racquets

Pro Shop

The Racquets Pro Shop, located on the lower level in Center Court, offers a selection of racquets equipment for tennis, paddle and pickleball. Special orders are available for select options from big brands: Wilson, Xenon, Master Athletics, Adidas, Asics, etc. If you need a specific item, reach out to the racquets staff.

CourtReserve is our designated all-in-one court reservation and club management platform. It is an industry-standard platform used in many clubs around the country to facilitate the reservation process for members to book a court, register for events & clinics, and schedule a lesson with a pro all in the same application. This machine offers players the ability to practice on their own, replicate all types of shots, and continue building skills whenever needed, similar to the convenience of a golf simulator for racquet sports.

With customizable drills, multi-shot workouts, and shot patterns tailored to every level, it continues to help players enhance their game throughout the year. The Volley machine is available to reserve through CourtReserve. If you have any questions, our Racquets staff is always happy to assist.

Paddle

Interclub League

Our Club's Men's and Ladies Paddle Teams compete in a travel Interclub Paddle League. The Paddle Season runs for 18 weeks from the end of September to February, with two more weeks of playoffs in March. Men's Teams play during one of the weekdays (Tue-Wed-Thu) depending on the Series and league schedule. Ladies Teams play their matches on Thursday mornings. Each team consists of a set number of players with a captain and a co-captain. The paddle program at Inverness Golf Club has exponentially grown since our inaugural year in 2022 with more and more players looking to compete against other teams during the winter months.

TEAM SELECTION PROCESS

- Captains and Co-Captains from the previous season help select the teams for the upcoming season based on the number of teams and the assigned Series.
- Based on the selection, you will receive an invitation to be part of a Team. You will have 72 hours to respond to the invitation.
- After the teams are set, you will receive the opportunity to volunteer to serve as the captain for the Season. If there are more than two volunteers, there will be a team voting process to determine the captain. The captain can choose the co-captain for the season.

BEING ON OUR CLUB'S RACQUETS TRAVEL TEAM

As a member of a travel team, you will get the full experience of being part of the largest paddle community in the States. The Chicago League is synonymous with unforgettable paddle moments in the heart of winter, shared experiences with friends and fellow members, meeting new people or running into former acquaintances who also happen to play paddle at a club. Travel paddle makes the winter go by faster while staying active.

A Paddle League Fee for each participating Member will be collected at the start of the season. The fee covers external fees as well as internal costs associated with being a travel team player. The total cost of the fee will be communicated before the first matches in September.

Team practices are a big part of the Club's Racquets program. The weekly practice times will be communicated after the teams are set and will start the week of Labor Day. Players will be able to practice with their partners before their weekly matches and the Pros will focus on essential paddle themes to help improve your game.

Weekly team drills focus on improving specific paddle skills and strategic play. Racquet Pros provide themed drills, in-game instruction, and feedback to elevate your game, your partner's, and your team's performance. LADIES PADDLE LADDER LEAGUE

A relaxed and fun league for players of all skill levels. Players rotate to play one set against three opponents each week. This format gives both new and experienced players plenty of match play in a supportive, social environment.

MEN'S PADDLE OPEN PLAY WITH THE PRO

Start your weekend with extra sets against fellow members and the Pro. The rotational point-play format allows players to rotate and play multiple short sets. If there are open spots, the Pro will join in, giving you the chance to compete alongside or try to beat the Pro.

Junior

Programs

Inverness Golf Club offers exceptional summer camps and junior sports programs for children ages 4–12, providing opportunities to stay active and engaged during summer break.

Junior Sports and Camp registration opens in February. Details will be posted on our website, included in the February newsletter, and sent via email blasts

JUNIOR SPORTS PROGRAM

Our Junior Sports Program introduces children to tennis, pickleball, golf, and swimming, focusing on quality instruction in a fun and supportive environment that promotes sportsmanship. Before- and after-care is available, and campers can mix in Junior or Golf Academy sessions for even more action. It's the perfect place to make friends, learn new skills, and enjoy a summer full of energy, laughter, and play!

JUNIOR GOLF

Our golf programs focus on fundamentals, social interaction, and the values, traditions, and etiquette of the game. Through clinics, leagues, and private or group lessons, we instill a love and understanding of golf in players of all abilities (ages 6–18).

JUNIOR RACQUETS

The Junior Racquets Program includes tennis, pickleball (summer), and paddle (winter). We offer instructional, competitive, and social programs for juniors of all ages and abilities, from beginners to experienced players.

JUNIOR SWIM

Our swim program (ages 5–18) offers a fun way to perfect competitive strokes, develop starts and turns, and build physical fitness. Summer Swim Team promotes teamwork, sportsmanship, and camaraderie in a supportive environment.

JUNIOR SPORTS AWARDS

Join us in celebrating our young athletes' accomplishments on Labor Day at noon in Centre Court.

The premise of a quality Junior Golf Program is based on a foundation of quality learning and social interaction among peers. Golf is best learned through developmentally appropriate instruction. Within a large group environment our focus will be on the fundamentals of golf incorporating the values, traditions and etiquette of the game. Playing a certain number of holes is not as important as budgeting your time on the golf course. By playing the correct amount of holes in the correct amount of time, we can build a solid foundation at a young age.

It is our goal to provide all participants an atmosphere of fun and learning. If you have any questions, please feel free to contact us in the Golf Pro Shop.

Cargo shorts and pants are not permitted. Sessions begin at the upper practice putting green. Juniors with clubs in the bag room should retrieve them before the session. Friday Play Day registration must be completed by 3 pm on Thursday.

ETIQUETTE REMINDER

Inverness Golf Club is a family friendly golf club and encourages the active participation of our junior golfers. With this in mind, it is the hope of the Golf Committee that certain levels of etiquette will be exercised by all juniors. In particular, on days when the driving range is at full capacity, juniors should give way to members who wish to practice. Also, juniors should allow faster playing members to play through when on the golf course.

SAFETY FIRST

Both in practice and play always make sure that...

- No one is near you when you swing.
- No one is ahead of you where your shot might hit them.
- Yell "FORE" if a ball is headed in the direction of another person.
- Never walk in front of someone about to hit a ball or behind someone swinging a club.
- Do not take practice swings unless you are in a clear area. Limit yourself to only one practice swing.
- Always walk off the back of the green and toward the next tee when play is completed.
- Do not walk in front of other players in your group.
- If you hear the sound of the warning horn during play, mark your ball and immediately leave the golf course. Get to the clubhouse or halfway house as soon as possible.

COURSE CARE

Each Junior Golfer is responsible for the care of the course at all times which includes:

- Replace all divots.
- Rake all bunkers.
- Keep off designated areas.
- Fix ball marks.
- Place all trash in proper containers.
- All practice must be on the practice tee, practice green and practice bunker.
- If someone else is playing from the tee, do not tee your ball until he or she has played.
- Always stand still and to the side of rather than behind another player when he or she is playing. Do not talk.
- Be ready to play when it is your turn.
- Speed of play is essential. Keep pace with the group ahead of you. If there is a hole empty in front of you and players are waiting behind you, let them play through. Look for a lost ball for no more than 3 minutes.
- Write down scores on the way to the next hole, not on the green you are leaving.
- Never take more than one practice swing, if any.
- Mark your ball on the green if it is in the other player's line.
- Stops at the Halfway House and/or Clubhouse should be kept to a minimum.

All juniors must walk their assigned holes. If weather is uncertain, parents should contact the Golf Pro Shop before the session begins.

Parents are responsible for ensuring juniors arrive on time, providing proper equipment, and scoring during the season. One participant requires scoring at least two times, while two or more participants require three or more. Parents may not score for their own children during the Championship Tournament. Each parent must chaperone at least twice or a caddie fee will be applied. Scorers should report 10 minutes before tee time and small children cannot walk with scorers. Parents are encouraged to practice with their children and consult a Golf Professional with any rules questions.

The Junior Racquets Program at Inverness Golf Club gives kids a fun way to learn tennis and pickleball! Open to all ages and skill levels, it helps kids improve through playful drills and engaging racquet games. Our Racquets Pros create a welcoming environment where children build confidence, learn teamwork, and develop skills. Each session mixes games and practice to keep things fun while teaching hitting, movement, and strategy. It's a great way for kids to stay active, make friends, and enjoy racquet sports.
