11 APRIL 2025

Friday 11 April 2025
Registration 09:00 AM
Shotgun Start 11:00 AM

EVENT OVERVIEW

Women in Mining South Africa (WiMSA) is proud to announce that 2025 will mark the third year of our annual golf day. This event fosters camaraderie and networking within the mining industry and serves a greater purpose. As we gather on the greens, our swings and putts are more than just a game; they are strokes for change. The funds raised during this event, with your invaluable support, are earmarked for initiatives that support and empower women in the mining sector through networking, career guidance through our career booklet, mentoring initiatives, GBV awareness, and so much more.

These efforts are designed to create a more inclusive and diverse industry in which women have equal opportunities to thrive and lead. Join us as we drive towards a brighter, more equitable future, one fairway at a time.
