About Us

Our Vision

How We Started

Our journey began with a vision ignited by the Middle East's burgeoning allure for travelers, a trend underscored by a remarkable 20% surge in international arrivals, as per the UNWTO. This starkly contrasted with the world's 16% decline from 2019 figures, highlighting a distinctive opportunity for expansion in a flourishing market.

This surge coincided with Saudi Arabia's emergence onto the global tourism stage, transforming connectivity across Middle Eastern destinations. This heralded a new era of multi-country travel routes, highly sought-after by travelers. Recognizing this clear gap, the Middle East Travel Alliance was poised to step in, marking our strategic debut into this dynamic and evolving travel landscape
