SIMPLYCERAM®

THE PORCELAIN PANEL FOR THE WOOD INDUSTRY

WHAT IS SIMPLYCERAM®?

Introducing SIMPLYCERAM®, the next generation Porcelain Laminated Panels.

SIMPLYCERAM® IS THE ONLY PORCELAIN PANEL THAT CAN BE MANUFACTURED BY THE WOOD INDUSTRY PLAYERS.

SIMPLYCERAM® has the look and feel of stone, combined with the superior strength of porcelain and, thanks to its unique interior, it is 100% waterproof.

Its NSF certification allows for safe food preparation directly on the surface.
