BOOM

Dear friends,

At the start of this year, we felt inspired to speak the word “BOOM” over our HopeUC family. We felt that we were to believe God for a boom year in every aspect of our lives as we walked into this new season.

We have now taken time to unpack this word, leaning into teaching on Blessing, Opportunity, Outpouring and Miracles. We are so thankful to God as we hear great reports from different families about the blessing of “BOOM” upon people’s families, businesses, careers, financial lives, relationships and more!

Every week we receive reports of salvations happening across our youth and Sunday services. We have also been overwhelmed by the generosity of many families across our church who have supported our flood-ravaged community in northern NSW and the war-torn country of Ukraine, as well as the mission work in many other areas both locally and globally. You can read more about this in detail in the following pages.

As a church, we also continue to find ourselves being entrusted by God to steward fresh ministry opportunities within the context of the development of our existing properties.

We also have new opportunities to acquire more land and buildings so that our reach and impact can be felt more significantly throughout the regions of the Central Coast, the Hunter and Newcastle.

All of these opportunities can only be effectively embraced as faithful men and women such as yourself partner with God and His leading in the realm of giving and receiving. So we want to firstly say thank you for continuing to be such a generous and faithful people.

As you know, Legacy gives vision longevity. It has a voice and continues to speak long after the speaker is gone. Ultimately, the impact we want to leave is JESUS, and not our names to be remembered, but that HIS name will never be forgotten.

We look forward to gathering and celebrating all that God has done and continuing to seek Him for all he has ahead for us.

Love and blessings,

Ps Mark and Darlene

I DO NOT PRAY FOR THESE ALONE [IT IS NOT FOR THEIR SAKE ONLY THAT I MAKE THIS REQUEST], BUT ALSO FOR [ALL] THOSE WHO [WILL EVER] BELIEVE AND TRUST IN ME THROUGH THEIR MESSAGE, THAT THEY ALL MAY BE ONE; JUST AS YOU, FATHER, ARE IN ME AND I IN YOU, THAT THEY ALSO MAY BE ONE IN US, SO THAT THE WORLD MAY BELIEVE [WITHOUT ANY DOUBT] THAT YOU SENT ME.

Hope Global

*Go into all the world
and preach the good
news to everyone,*

Mark 16:15.

Through Hope Global our heart is to empower, encourage, equip and come alongside people in countries that have been devastated by genocide, war and poverty. We believe Jesus has commissioned us to GO into all the world, and bring hope and love to everyone we meet. Since the founding of Hope Global we have built relationships with local communities in many different nations and seen the lives of thousands of people and communities transformed. We believe that we have only just seen the beginning of what we together can accomplish, and we are expectant and faith-filled towards what is ahead.

India

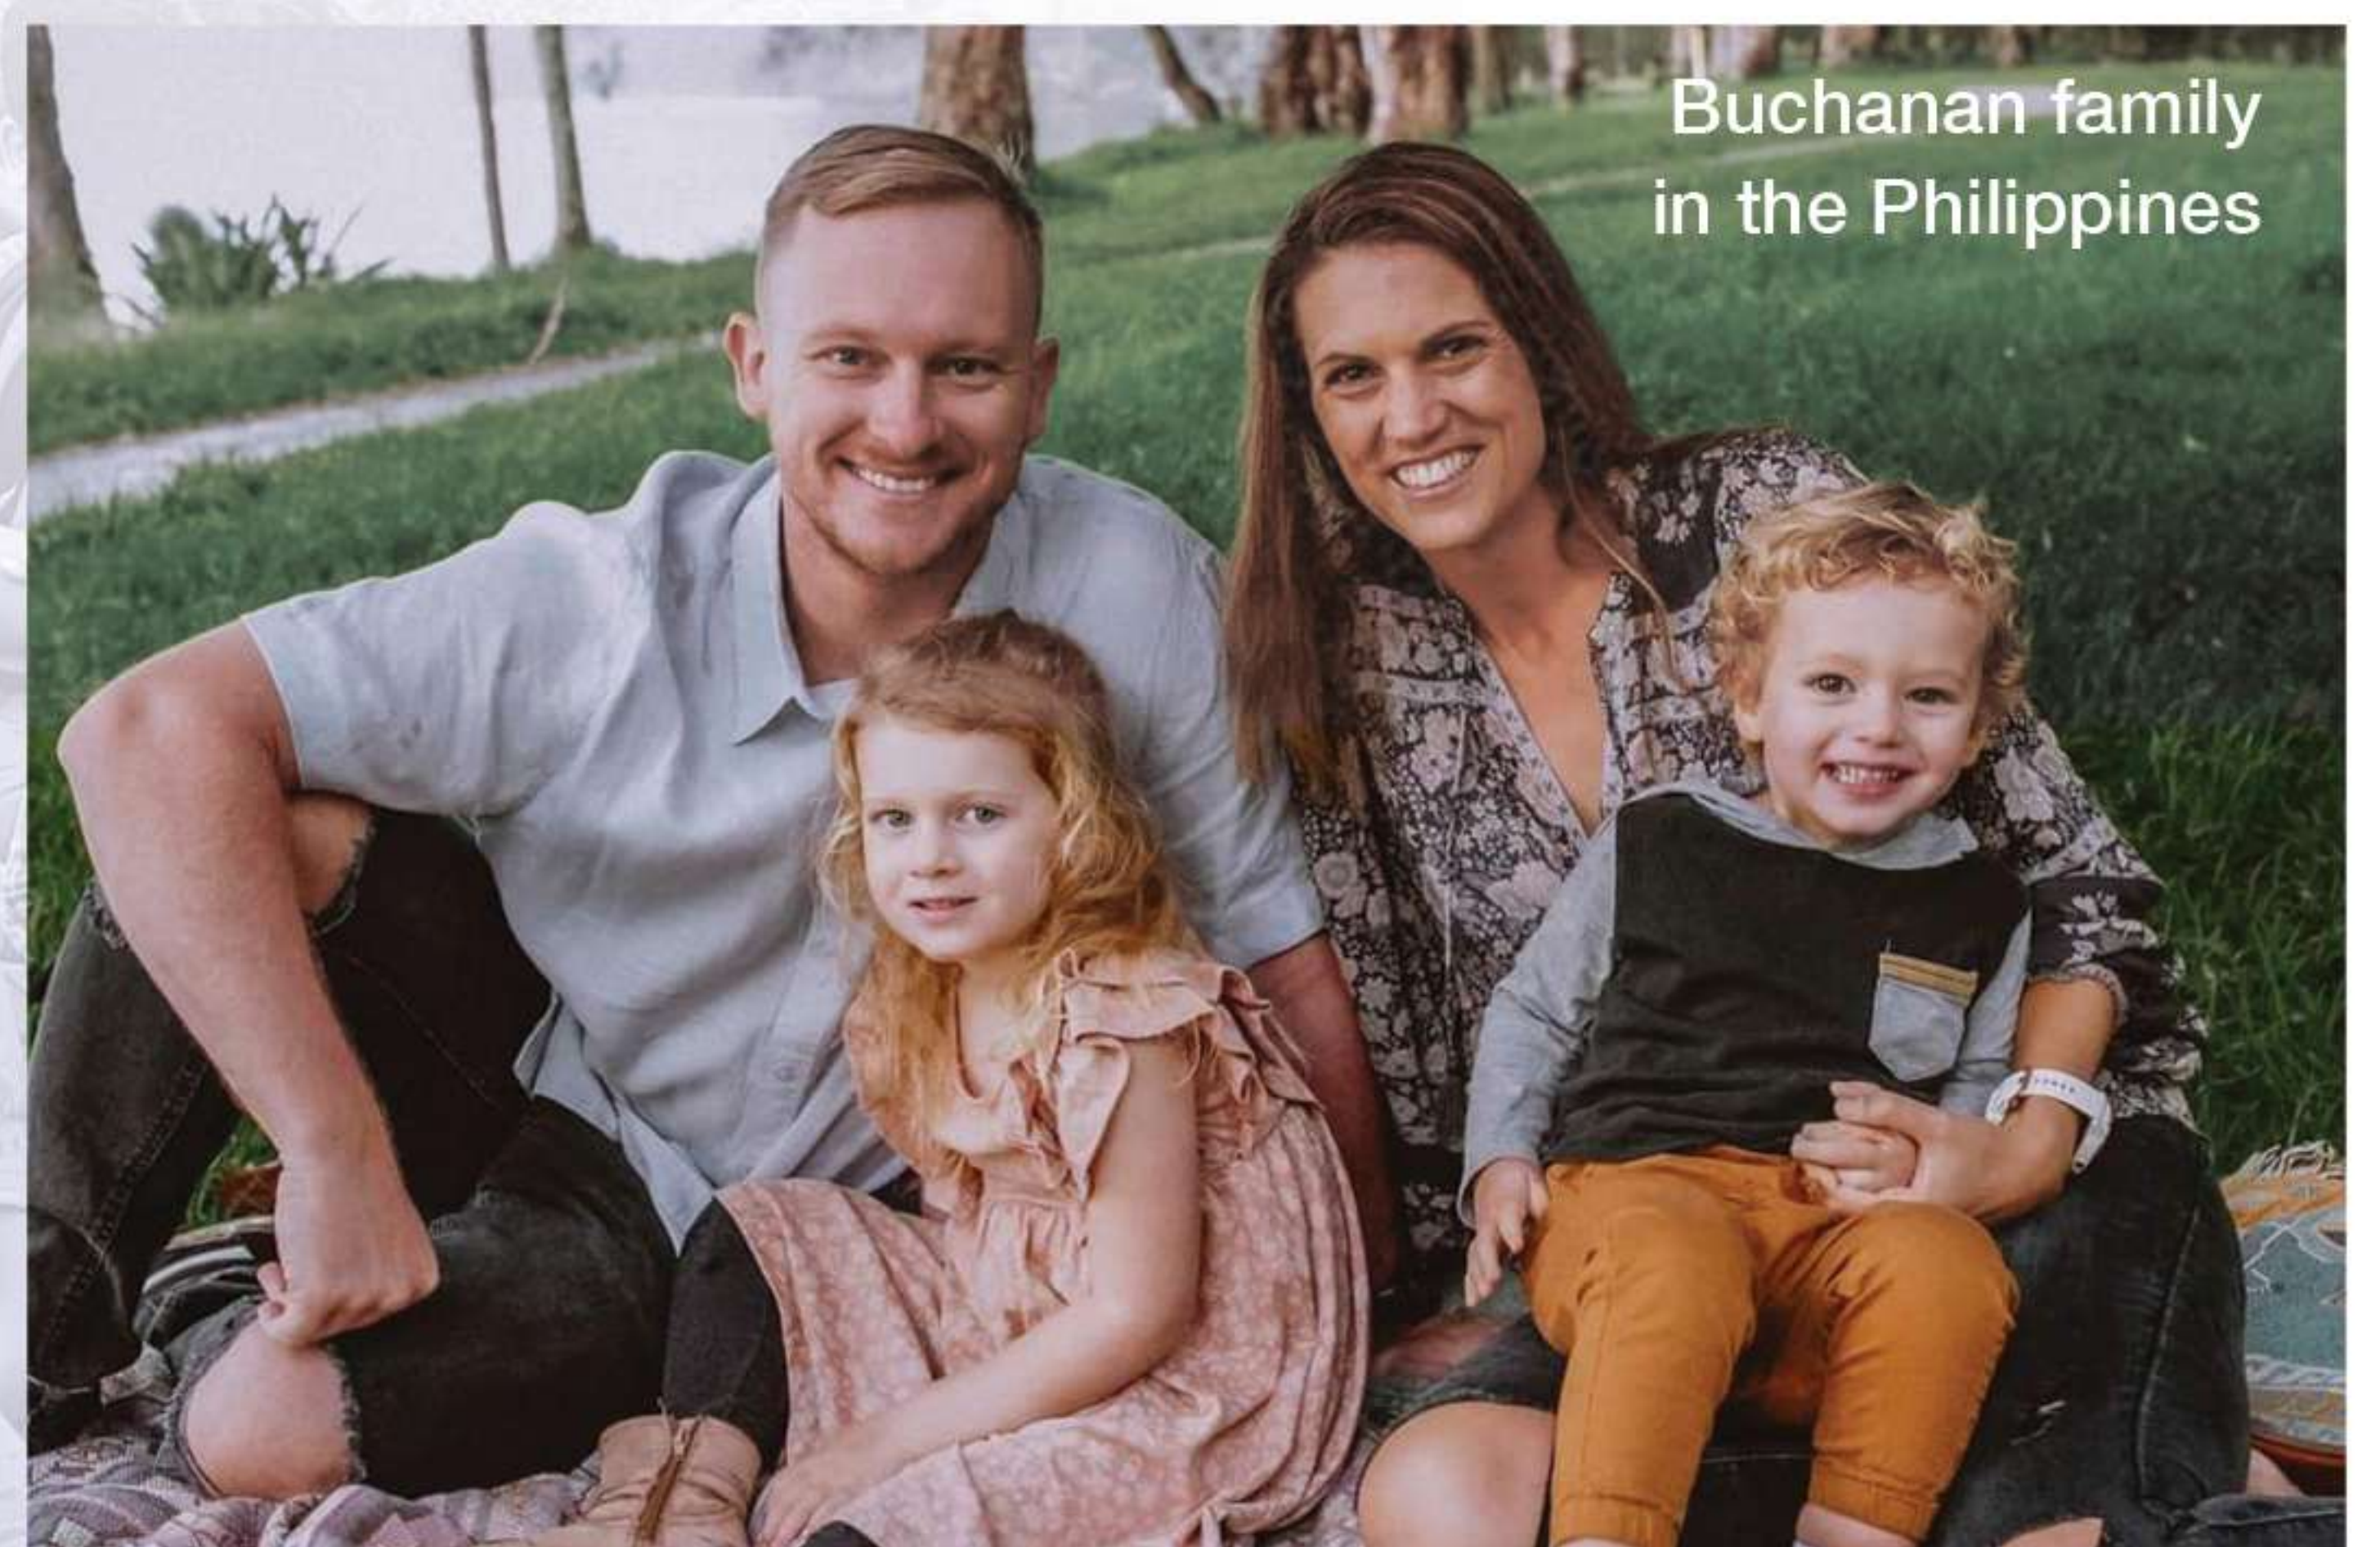

In India in the past year, 51 new churches were planted, and through our water projects, we have seen 51 new bore wells drilled, meaning clean water access for over 70 000 people.

COVID DISASTER RELIEF

Over the last year Hope Global has been involved with disaster relief, as our world has been shaken by the effects of Covid. In India alone, through our partnership with Scott Norling, we have donated close to \$100 000 which has enabled our in-country partners to provide 5,673 meals to those in home isolation, purchase and deploy 25 oxygen concentrators for in home care and connected 392 patients with doctors or hospitals for treatment advice, tests, and medicine, as well as many other initiatives.

HOPE CARRIER

Our Hope Carrier project has also seen 2308 children equipped with a school bag filled with supplies. Many of these children would walk 3-4 km to school carrying their books in their hands or a half torn plastic bag. These bags are fully manufactured by women in India, who have been rescued from sex trafficking or domestic violence.

Rwanda

Through our relationship with Pastor Fred Buyinza in Rwanda, we have continued financial and relational support to the Fruits of Hope Academy in Kigali. Since its humble beginning in 2007, the school has developed into one of the top schools in the area.

Meet Esther, age 20

Esther was one of the first sponsored children in the school and recently received a US\$45000 scholarship to a prestigious school in England. Esther's dream is to work for NASA one day.

TRAINING CENTRE

Within the next few weeks, we will be fencing our Training Centre Site in Rwanda, and architects and developers are finalising the plans for the building to start in July 2023. We believe that these facilities will be a great blessing to the local community by providing education, employment opportunities and a place for connection and mentorship.

Sri Lanka

Narel and Alison Atkinson are long-serving missionaries with ACCI Missions and have a close relationship with HopeUC. Their ministry in Sri Lanka includes pastors training, discipleship, mentoring and local church health. They are also founders of HelpKids: helping vulnerable children and families, and they have seen incredible impact through their community-based care for children in Sri Lanka.

Ukraine

Due to the instant needs after the war broke out in Ukraine in February this year, we have donated funds to War relief through the ministry of Wayne and Olga Zschech. So far \$20,424 has been given towards basic needs like food, clothing and blankets for the Ukrainians who have lost all they own due to the war.

Philippines

We are excited to partner with Scott and Ruth Buchanan, who have recently moved back to the Philippines with their two young children. Their heart is to spread the love of Christ amongst the poor, marginalised and unreached people groups on the island of Mindoro.

Community is our Heartbeat.

HopeLocal is the local mission and community expression of our church. What a year we've had! It is such a privilege to put arms and legs to the message of Jesus. It is here in the community, on the coal face, with vulnerable people, marginalised people, broken people, and people in crisis, that we truly live out Jesus' commission to GO.

This Year...

Schools

We have cooked thousands of pancakes for our Brisbane Waters High School Breakfast Program and are working hard to be in a local high school in every campus. This year, we have a keen focus on scripture teaching and mentoring in local schools.

Meals of Hope

Over the last 12 months, we have provided over 6000 meals and grocery packs to our communities through Meals of Hope. Every campus is stocked and ready to go with beautifully cooked meals and crisis packs.

Gift of Hope

Last year we gave out 350 Gifts of Hope Christmas hampers and hundreds of toys to local schools, organisations and community connections.

The Welcome Place

Four out of our six campuses are currently running The Welcome Place. A midweek safe place for our community to receive food, friendship, energy bill relief, and even a shower and washing in some locations.

Response Teams

We've sent three short-term missions teams to respond to the Northern Rivers floods and distributed over 300 school backpacks and \$20,000 to local farmers of the Woodburn/Coraki area. We are committed to being on the ground in our state when disasters occur, and we are continuing to strengthen our connections in the NSW outback.

Chaplains

We are currently championing and encouraging over 30 chaplains in our HopeUC community.

Rhema FM

We continue to support our local Christian community radio stations, Rhema 99.7 FM and Rhema Central Coast, with \$5000 each as they reach our communities with the message of the Gospel.

Open Doors

In the past year we gave \$5000 to support the work of Open Doors in strengthening persecuted Christians around the world.

The GOING

This July every campus will be partnering with a local charity organisation to encourage, support and help on the ground.

Thank you for all your support and commitment. We are only just getting started. We have a big dream to see God do so much more in our local communities through HopeLocal.
