

Equestrian

Brentwood School has an established, thriving and successful Equestrian Club which is open to students in both the Prep School and Senior School who own their own horse or pony. The School is a member of the National Schools' Equestrian Association which enables our riders to enter teams and individuals at all levels in national qualifying competitions across all disciplines of the sport – Dressage, Show Jumping and Eventing. We also enter riders at local events within easy travelling distance.

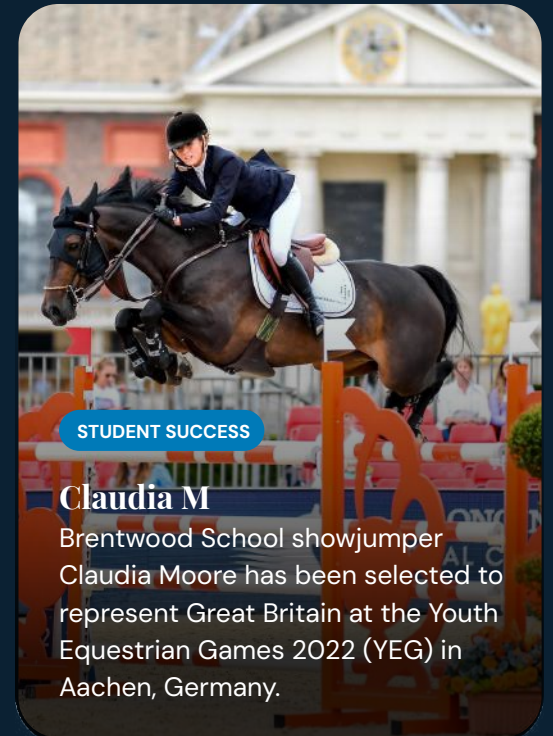

Team Trainer Mrs Annette Philpot (Old Brentwood) is a registered British Horse Society Level 5 Performance Coach, a British Eventing accredited trainer, British Horse Society Assessor, Pony Club Assessor and Pony Club Chief Instructor. She has also competed nationally in all disciplines. Mrs Philpot offers training sessions for members of the Equestrian Team either individually or in small groups and advice to the School on Equestrian matters. She also supports the team at major inter-school events, coordinating warm-ups and offering technical guidance during course walks. An adult is required to accept full responsibility for their son/daughter and horse and organise transport to training sessions and events.

Our Equestrian team regularly qualifies for the NSEA Championships in dressage, arena eventing and show jumping. This year the riders have qualified for the Arena Eventing Championship, the Show Jumping Championship, Loella represented the school in Dressage at the Plate Championship and Charlotte has had a successful start to the season with wins at both Burnham Market and Tweseldown alongside many other top placings in preparation for the British Eventing Junior Championship at Belsay.

We welcome new riders and encourage anyone interested to contact team Manager Mrs Kelly Giles: KGG@brentwood.essex.sch.uk.
