# MASOVIA WALL TILES INSTALLATION INSTRUCTION

DEAR CUSTOMER.

Thank you for choosing Tubqdzin Group products. For best finishing results with the MASOVIA collection, please refer to the tile installation instructions.

## Design diversity of Masovia.

- 9 colours + white and black.
- Each colour consists of 2 or 3 tints of a particular colour.
- Each colour tint has 13 different graphics.
- 3 textures.

**The correct visual effect on the wall will be guaranteed by applying a few simple steps:**

1. Purchase all AB or ABC tints within the colour in question.
2. Balance in the arrangement. Mix the AB or ABC tints of the colour in question. Avoid arranging them in a regular pattern.
3. Pay attention to the tile texture. Rotate the tiles to bring out as much structure as possible. Do not place the same textures next to each other.
