ABOUT US

The Pikes Peak Chapter of the Colorado Restaurant Association (PPCRA) is a vibrant chapter of the Colorado Restaurant Association. Founded in 1933, the Colorado Restaurant Association (CRA) is the leading trade organization for the state's dynamic foodservice industry, which is a driving force for the Colorado economy. Our sole purpose is to protect restaurant businesses and help them succeed. The CRA is run by restaurateurs, for restaurants.

The PPCRA, through its signature grand tasting event, The Taste of Pikes Peak, (TOPP) supports the Colorado Restaurant Foundation. The Colorado Restaurant Foundation (CRF) was established in 1987. As the philanthropic foundation of the CRA, the CRF's mission of service is dedicated to enhancing the industry's workforce training & education, career development, and the overall well-being of the industry and its employees.

Our mission

We provide advocacy, education and connection for the businesses and people of the restaurant industry of the Pikes Peak Region.

I STRATEGIC PRIORITIES

ADVOCATING FOR RESTAURANTS

The PPCRA champions the restaurant industry at local, state, and national levels. By fostering strong relationships, we promote policies and initiatives that protect and advance the interests of restaurants and the hardworking individuals who power them.

BUILDING COMMUNITY

Our events and programming bring the restaurant community together. With active involvement from our board and members-key leaders in the Pikes Peak region-we cultivate a supportive network that drives positive change and fosters collaboration.

Our signature grand tasting event, The Taste of Pikes Peak is a celebration of Pikes Peak area restaurants and the region's food, beverage, culinary and hospitality community. Proceeds from the Taste of Pikes Peak directly benefit Colorado Prostart® and other programs of the Colorado Restaurant Foundation.

The annual Hospitality Open Golf Tournament is a fun day of networking that directly funds our chapter's local hardship fund. The Pikes Peak Hardship Fund provides critical financial support to front-line restaurant workers facing unexpected emergencies.

ENHANCING CRA MEMBERSHIP VALUE

We deliver valuable resources and innovative programming tailored to the needs of our members. From staying informed about industry trends to gaining tools for competitiveness, PPCRA ensures our members are connected, current and ready to thrive.
