JEANETTE, real patient with DB

LOOK
at the
LIDS

How often do you see *Demodex* blepharitis (DB) in your practice?

DB is more common and damaging than you may think – and it can even end up exacerbating ocular diseases such as meibomian gland disease (MGD) and dry eye disease.¹⁻⁵

DB overlaps with the following patient groups^{2,*}:

Don't let DB turn into a bigger problem: LOOK AT THE LIDS^{2,3}

Ask patients to look down
Collarettes can be missed when patients look straight on during a slit lamp exam

Check for collarettes
Waxy, cylindrical buildup at the base of the eyelid

Diagnose
Even 1 collarette means an infestation of *Demodex* mites

Check every eyelid, every time.

*STUDY DESIGN: A retrospective chart review for DB by 7 investigators at 6 eye care clinics of the case records of patients (N=1032) who underwent a slit lamp examination, regardless of chief complaint.

WELCOME TO SECO2026 THE EDUCATION DESTINATION™

A MESSAGE FROM DR. TIM BARRY PRESIDENT, SECO INTERNATIONAL

Welcome to SECO 2026 - THE premier event created by the profession, for the profession. This incredible gathering is made possible by our dedicated volunteers and staff who are committed to continuously improving SECO's offerings.

This year's Congress showcases our commitment to cutting-edge education. Our Laser and Procedures Certification 2.0 programs introduce intravitreal injections, advanced eyelid procedures, and comprehensive hands-on training. The FREE Surgical & Aesthetics Skills Education Pavilion in Optometry's Marketplace™ offers unlimited introductory access to lasers, aesthetics devices, and surgical equipment. Experience exclusive programming found nowhere else: our "Cutting Edge Eye Care" workshop features THREE technologies never before seen at any optometry meeting. Our new Optical Theater presents "Eyewear Catwalk Unleashed" and the "Optical Throwdown" with industry icons Phernell Walker and Bill Gerber. Our AI Innovation series, headlined by "Eye Care Reimagined: The AI Advantage," explores how technology is transforming optometry. The Basic Optics & Optician Training (BOOT Camp) program provides fast-paced training for new optical staff and team cross-training.

Maximize your Congress experience with the SECO 365 app! Navigate courses, explore the exhibit hall, and plan your schedule with ease. The connection doesn't end when Congress does—use SECO 365 year-round to access exhibitor resources, network with colleagues, and stay engaged with the SECO community. Download today!

Enjoy complimentary breakfast, lunch, and dinner symposiums throughout the Congress. Don't miss Saturday night at the Georgia Aquarium - experience one of the world's largest aquariums after hours with food and beverages provided.

Optometry's Marketplace™ is far more than an exhibit hall - it's an essential extension of your educational experience at SECO. Here, learning continues as you explore the latest clinical innovations, evaluate new technologies hands-on, and discuss real-world applications with industry experts. The robust support we receive from our industry partners makes this immersive learning environment possible. As you explore Optometry's Marketplace™,

you're not just browsing products - you're engaging in active learning that will directly impact your practice. Please dedicate time to this vital educational resource and thank our partners for their commitment to investing in our profession's future.

As always, SECO University is your year-round hub for continued learning. Our completely revamped platform now features personalized learning paths based on your professional role - making it easier than ever to find the education that matters most to you. Explore our extensive library of resources, including enduring education, podcasts, live webinars, and more. Plus, anyone with a Congress-type registration package receives a one-year subscription to SECO University for free! Visit secouniversity.com to dive in and continue your professional development long after the Congress ends.

Can't Get Enough SECO? Join Us This Fall! Following the tremendous success of our inaugural meeting last September, SECO and AFOS head to Las Vegas this September for the SECO & AFOS Destination Fall Conference: Eye to Eye at the Paris Las Vegas (AFOS September 15-16, SECO September 17-20). This year's meeting features expanded programming for Allied Healthcare Professionals and a curated exhibit hall - all with the same SECO-caliber education you've come to expect. Visit attendseco.com to be notified when registration opens and receive updates as they become available.

On behalf of SECO International, thank you for your participation and enthusiasm. Your engagement is what makes this event so special and impactful. Whether this is your first SECO or you're a longtime attendee, we are grateful to have you as part of our community.

Tim Barry, O.D.

Tim Barry, OD
President, SECO International

SECO 2026 AWARD WINNERS

PRESIDENT'S AWARD

In Memory of Mrs. Lana Sandefur

SECO International is honored to present the 2026 President's Award in memory of Mrs. Lana Ruth Mynatt Sandefur, recognizing a life defined by compassion, faith, and unwavering support for family and community. Mrs. Sandefur was beloved for her warmth and kindness and was widely admired for the grace with which she supported those around her.

She also held a cherished place within the optometric community, where many affectionately recognized her as "First Lady" in Louisiana, reflecting the respect she earned through years of service and support. Her legacy continues through a memorial scholarship established in her name at the Southern College of Optometry, benefiting future generations.

PAUL C. AJAMIAN, OD DISTINGUISHED SERVICE AWARD

Chris Wroten, OD

SECO International is proud to recognize Christopher W. Wroten, OD with the 2026 Paul C. Ajamian, OD Distinguished Service Award for his outstanding service, leadership, and dedication to SECO and the profession.

A Diplomate of the American Board of Optometry, Dr. Wroten has contributed extensively through leadership in organized optometry and education, including long-term adjunct faculty roles and significant service to the Southern College of Optometry Board of Trustees, including as Chair.

EXECUTIVE DIRECTOR OF THE SOUTH

Chad Robinson (West Virginia Association of Optometric Physicians)

SECO International is pleased to recognize Chad Robinson as the 2026 Executive Director of the South, honoring his outstanding leadership, strategic advocacy, and dedication to advancing optometric care in West Virginia.

Mr. Robinson has been credited with pivotal legislative and organizational accomplishments, including modernizing optometric scope and strengthening professional protections and membership initiatives. His efforts supported a landmark "as-taught" scope advancement, helping expand access to advanced optometric procedures for patients across the state.

ASSOCIATE MEMBER AWARD

Colegio de Optometristas de Costa Rica

(Posthumous Recognition for Dr. José Francisco Bonilla Miralles)

SECO International is honored to recognize the Colegio de Optometristas de Costa Rica with the 2026 Associate Member Award, presented in a posthumous tribute to Dr. José Francisco Bonilla Miralles.

Founded in 1966, the Colegio de Optometristas de Costa Rica is the institution responsible for regulating and strengthening optometry in Costa Rica, promoting ethical standards, continuing education, and protection of the public through qualified professional services.

Dr. Bonilla Miralles is remembered as a respected optometrist and admired leader whose career reflected long-term service and dedication to professional excellence and unity.

OPTOMETRIST OF THE SOUTH
David L. Parker, OD

SECO International is honored to present the 2026 Optometrist of the South Award to David L. Parker, OD, a distinguished optometrist and public servant recognized for more than three decades of dedication to optometry, advocacy, and community leadership.

Dr. Parker has built a thriving optometric practice and has also served the public through his long tenure in the Mississippi State Senate, where he held multiple leadership roles and contributed to initiatives strengthening healthcare and public welfare.

His leadership and advocacy have helped shape meaningful progress for the profession, including work supporting optometric scope advancement and improved patient access to care.

YOUNG OPTOMETRIST OF THE SOUTH
Jade Coats, OD, FAAO

SECO International is proud to recognize Jade Coats, OD, FAAO as the 2026 Young Optometrist of the South, honoring her remarkable achievements as a clinician, educator, author, and advocate.

Dr. Coats has been recognized as one of the nation's leading young optometric voices, with a strong record of leadership in organized optometry, national speaking engagements, clinical research involvement, and professional service. Her nomination highlights her clinical excellence, widespread contributions to continuing education, and growing national influence.

OPTICIAN OF THE SOUTH
Judith Boyer Lew, LDO, ABOC

SECO International proudly presents the 2026 Optician of the South Award to Judith Lew, LDO, ABOC. Ms. Lew currently serves as Professional Development Director for EssilorLuxottica and is widely recognized for her longstanding dedication to education, professional training, and support of opticianry students and emerging leaders.

She has also served in leadership roles with the National Academy of Opticianry (NAO) and other industry organizations. In recognition of her exceptional influence and service, Lew was awarded Vision Monday's 2023 Most Influential Women in Optical Award and received the 2024 Opticians Association of America (OAA) President's Award. Her impact across the optical industry - through advocacy, mentorship, and professional development - makes her an outstanding recipient of this prestigious honor.

PARAOPTOMETRIC OF THE SOUTH
Kimberly Pickle, CPOA

SECO International is honored to recognize Kimberly Pickle, CPOA as the 2026 Paraoptometric of the South, celebrating her exceptional dedication to patient care, practice leadership, and service.

Ms. Pickle serves as Office Manager at Southern Eye Care of Clinton and has more than a decade of experience supporting clinical care, patient services, and team leadership.

Her leadership includes service as President of the Mississippi Paraoptometric Association, along with continued contributions to paraoptometric education and community outreach, including vision health presentations and charitable initiatives.

These awardees embody the values of excellence, leadership, and service in eye care. SECO International congratulates them for their remarkable achievements and contributions to the profession.

FREE FOOD

Preregistration is recommended for all symposia at SECO 2026. A limited number of open seats may become available on a first-come, first-served basis.

The SECO 2026 Symposium Series offers eye care professionals the opportunity to connect with colleagues and engage with industry leaders while discussing advances in ophthalmic healthcare, all while enjoying a complimentary meal. These sessions are scheduled without conflicting educational courses for the designated audience and are available at no cost to registered attendees.

A SIGNATURE SECO EXPERIENCE

Experience one of the world's largest aquariums after hours. Walk through the Ocean Voyager tunnel beneath whale sharks and manta rays. Network with colleagues surrounded by over 10 million gallons of water and thousands of marine animals.

Enjoy our signature drink "The Rouse Reef," snap photos at our photo booth, capture memories at countless photo ops throughout the aquarium, and pick up a SECO Kids Club bag while supplies last.

February 28, 2026
6:30-10:00 PM

Please stop by the SECO Exhibit Hall Information Booth to pick up your entry wristband and complimentary drink tickets.

Friday, February 27 **Saturday, February 28**
9:30 AM - 5:00 PM 9:30 AM - 4:00 PM

*You must have your conference badge with you to be scanned for verification.

Dress Code: Casual to Dressy Casual

This is YOUR night! Dress however you feel most comfortable. Dressy casual, casual with tropical flair (tropical prints welcome), or your favorite comfortable casual attire - it's all perfect. The aquarium is climate-controlled inside. Don't miss our photo booth and countless photo ops throughout the venue!

FUTURES IN FOCUS

STUDENT PROGRAM

Blended NBEO Part 1 Board Review

This rapid-fire prep course is designed to help optometry students assess their strengths and weaknesses as they prepare for NBEO Part I. Focusing on anatomy, physiology, pathology, and pharmacology, the program consists of 14 hours, including 3 hours of concentrated review sessions this year at SECO. An additional 11 hours of content is available at attendseco.com/students.

This program is designed for 1st, 2nd, and 3rd-year students looking to sharpen their knowledge and boost their confidence before the national board exam.

SECO PROFESSIONAL OPPORTUNITIES RECRUITING FAIR

***PARTICIPATION IN THIS EVENT IS REQUIRED FOR TRAVEL GRANT RECIPIENTS.**

This event connects attendees with state association representatives, industry leaders, and potential employers to explore career paths in private practice, corporate optometry, industry, and academia.

Saturday, February 28, 8:00 AM – 10:00 AM
Young Professionals Forum Booth, Optometry's Marketplace™

SECO SHOWDOWN: OPTOMETRY EDITION

***TRAVEL GRANTS WILL BE DISTRIBUTED AT THIS EVENT**

Join the fun at SECO's Family Feud-style showdown, hosted by SECO's own Dr. Paul C. Ajamian! Watch as ten optometry students go head-to-head in a thrilling competition, battling it out for a chance to win a grand prize of \$2,500! Don't miss this exciting battle of knowledge, teamwork, and quick thinking!

Saturday, February 28, 3:00 PM – 4:00 PM
Young Professionals Forum Booth, Optometry's Marketplace™

NEW! JOURNEY THROUGH OPTOMETRY STUDENT RECEPTION

Description: Join us for this student-focused session designed to provide guidance navigating optometric career paths! Hear from ODs from diverse practice settings about real-world experience and get actionable tips, interact through live Q&A, and network with mentors and peers.

Saturday, March 1, 4:00 PM – 5:30 PM
Room 411/412

Sponsored in part by **Johnson & Johnson**

FUTURES IN FOCUS VIP STUDENT RECEPTION AT THE GEORGIA AQUARIUM

Sponsored in part **vsp VISION**

Connect with leaders shaping the profession, network with peers, and build relationships that support your career development. The evening includes complimentary refreshments, prize drawings, and access to the SECO Saturday Night at the Georgia Aquarium immediately following the reception.

Saturday, February 28, 6:00 PM – 7:00 PM
Georgia Aquarium

Travel Grants

If you have been awarded a Student Travel Grant from SECO International, you must attend both the SECO Professional Opportunities Recruiting Fair, Futures in Focus Breakfast and Lunch Symposiums, and the SECO Showdown. Grants will be distributed at the SECO Showdown on Saturday from 3:00 PM – 4:00 PM.

Surgical Skills Education Pavilion

The SECO Surgical Skills Education Pavilion, developed in partnership with the American Society of Optometric Surgeons, offers a unique opportunity for hands-on learning in Optometry's Marketplace™ Exhibit Hall.

You Can Help Optometry Students and Young Professionals Experience SECO!

SECO International is excited to announce the relaunch of SECO's Student and Young Professionals Program, "Futures in Focus", designed specifically for Optometry students and emerging professionals. This initiative aims to provide invaluable support and resources to the next generation of leaders in our field, and we are reaching out to industry leaders like you to join us in this important endeavor.

OPTOMETRY'S MARKETPLACE™ EXHIBIT HALL

The Optometry's Marketplace™ Exhibit Hall at SECO 2026 is your gateway to the latest advancements, hands-on experiences, and valuable networking opportunities in eye care. Explore cutting-edge technology, discover new products, attend insightful presentations, and engage with industry leaders who are shaping the future of optometry. Whether you're looking to enhance your clinical skills, gain business insights, or explore career opportunities, the Exhibit Hall offers something for every member of the eye care team.

EXHIBIT HALL HOURS

Friday, February 27

9:30AM - 5:00PM

Saturday, February 28

9:30AM - 4:00PM

EXPERIENCE ALL THAT OPTOMETRY'S MARKETPLACE™ EXHIBIT HALL HAS TO OFFER

- ✓ Experience the latest innovations in clinical care, diagnostics, and practice management.
- ✓ Network with industry leaders, vendors, and fellow professionals to exchange ideas and discover new opportunities.
- ✓ Participate in hands-on learning experiences to refine your skills and stay ahead in an evolving profession.
- ✓ Access exclusive education sessions and panel discussions that provide key insights into the future of eye care.

SURGICAL & AESTHETICS
SKILLS EDUCATION
PAVILION

Visit SECO's Surgical and Aesthetics Skills Education Pavilion in Optometry's Marketplace™ Exhibit Hall to learn how these procedures could be incorporated into your practice. Feature areas and educational presentations will include laser procedures, cryosurgery, Botox, anesthesia, Suturing, and Lateral Canthotomy and Cantholysis.

**BUZZ
LOUNGE**

Step into the heart of the action at Optometry's Marketplace™ Exhibit Hall and recharge in the Buzz Lounge! Whether you're browsing the latest innovations or networking with industry leaders, the Buzz Lounge offers a refreshing selection of drinks to fuel your experience. Take a break, sip on your favorite beverage, and dive back into the excitement of SECO 2026.

The SECO 2026 Buzz Lounge is sponsored by

THE  VIEW
LUXURY EYEWEAR

Step into The View, SECO International's premier luxury eyewear pavilion, showcasing some of the world's most innovative, fashionable, and exclusive eyewear lines. This carefully curated space highlights the latest in high-end design, craftsmanship, and cutting-edge materials, offering a unique opportunity to explore trending styles and premium collections from top brands and independent designers.

You can help by supporting the EssilorLuxottica Foundation! You are exclusively invited to attend the Sale for Sight benefiting the Foundation! This is a great opportunity to shop across many EssilorLuxottica brands at SECO. Shop while supplies last! Limit 10 frames per purchase.

Connect with peers, explore educational opportunities and events to discover benefits that can transform your career all in the National Academy of Opticianry (NAO) Lounge in Optometry's Marketplace Exhibit Hall.

Don't miss out on exclusive Show Specials, New Product and Technology Launches, and special booth events happening throughout the week in Optometry's Marketplace™ Exhibit Hall. View the full list in the SECO 365 app or online at attendseco.com/exhibits.

TRYPTYR[®]: a first-in-class neuromodulator eye drop to treat the signs and symptoms of dry eye disease¹⁻⁵

**Discover what TRYPTYR[®]
can do for your patients
at SECO Booth #223**

INDICATIONS AND USAGE

TRYPTYR (acoltremon ophthalmic solution) 0.003% is indicated for the treatment of the signs and symptoms of dry eye disease (DED).

IMPORTANT SAFETY INFORMATION

Warnings and Precautions

Potential for Eye Injury and Contamination: To avoid the potential for eye injury and contamination, advise patients not to touch the vial tip to the eye or other surfaces.

Use with Contact Lenses: TRYPTYR should not be administered while wearing contact lenses. If contact lenses are worn, they should be removed prior to administration of the solution. Lenses may be reinserted 15 minutes following administration.

Adverse Reactions

In clinical trials, the most common adverse reaction was instillation site pain (50%).

You are encouraged to report negative side effects of prescription drugs to the FDA. Visit www.fda.gov/medwatch or call 1-800-FDA-1088.

Please see accompanying TRYPTYR Full Prescribing Information.

SECO2026 MedPRO 360

THE BLUEPRINT TO A THRIVING BUSINESS IN EYE CARE

Immerse yourself in SECO's one-of-a-kind Business Conference within a Conference, seamlessly integrated into the broader SECO experience.

MedPRO 360 features 18 focused courses addressing three essential areas:

1. Overcoming Burnout & Building Culture
We're addressing burnout and culture because your practice cannot grow until your team is empowered.

2. Converting Patients into Loyal Advocates
We're teaching you how to convert patients into loyal advocates by replacing the sales pitch with genuine connection and service.

3. Practical Tools for Practice Growth
We're giving you the practical tools - from AI integration to billing mastery - to build a profitable engine that truly fuels your mission.

[TECHIFEYE.COM](https://www.techifeye.com)

TechifEye is a community, strategy platform, and innovation hub built for independent eye care practices that want to grow smarter, not just bigger. Founded by practicing optometrists Dr. Jennifer Tabiza and Dr. Brianna Rhue, TechifEye was created to fill a gap in the industry: a space where real business building, meaningful collaboration, and forward-thinking technology come together to support the evolution of modern optometry.

**BASIC OPTICS
& OPTICIANRY
TRAINING**

The HOYA Basic Optics & Optician Training (BOOT Camp) is a fast-paced, one-day program designed for individuals new to the optometry office and seeking a practical introduction to optical fundamentals.

Through interactive workshops and real-world scenarios, participants experience a full day in the life of an optician. Covering frame selection, prescription basics, measurements, lens selection, verification, and simple adjustments.

This course is ideal for practices onboarding new team members or cross-training staff to assist with optical coverage when needed.

**Saturday, February 28
9:00 AM – 4:30 PM**
