

QUT Bursary Terms & Conditions

The Queensland University of Technology (QUT) Bursary will be offered for the first time in 2024 for a period of five years with the intention of funding a needs-based Bursary for a QUT student living at The Women's College.

1. The name of the Bursary shall be the 'QUT Bursary'.
2. The Bursary shall be awarded to a student who is a resident at The Women's College during the tenure of the bursary and who is enrolled or seeking to be enrolled at QUT in Brisbane.
3. The Selection Committee will make a recommendation to the Head of College & CEO.
4. The award will be given to a student who is in financial need with respect to meeting accommodation expenses.
5. The value of the Bursary shall be determined by The Women's College and will equate to a minimum of \$4,500 per annum.
6. Payment of the Bursary will be in equal instalments to coincide with the issue of each College account and by deduction from the account.
7. Initially the Bursary shall be awarded for one academic year, and may, subject to satisfactory academic progress, be extended for further years while the student remains in residence. The Bursary shall lapse upon the student ceasing to be in residence at the College.
8. If the student fails to make satisfactory academic progress in any year of the award or fails to abide by the rules and regulations of The Women's College, or defers her studies for any reason, the Head of College & CEO may terminate the Bursary. Under these circumstances, the College will advise QUT and retain the unused funds in the QUT Bursary Fund.
