Above & Beyond

WELCOME HOME

Commanding 386 feet of pristine river frontage with a reinforced sea wall, this 7,500+ sq. ft. estate at 2515 Waterbend Drive delivers panoramic waterfront views from nearly every room. The outdoor living is unrivaled: a gazebo perched at the water's edge, your own boat lift, dual patios for entertaining, a pond with a waterfall, and an outdoor kitchen ready for summer evenings on the river. This isn't just a home — it's a riverfront lifestyle.

THE GOURMET KITCHEN — anchored by a quartz island, gas range, and wine cooler — opens to a sun-drenched dinette with a bay window and circular built-in seating, the perfect spot for morning coffee as the river comes to life.

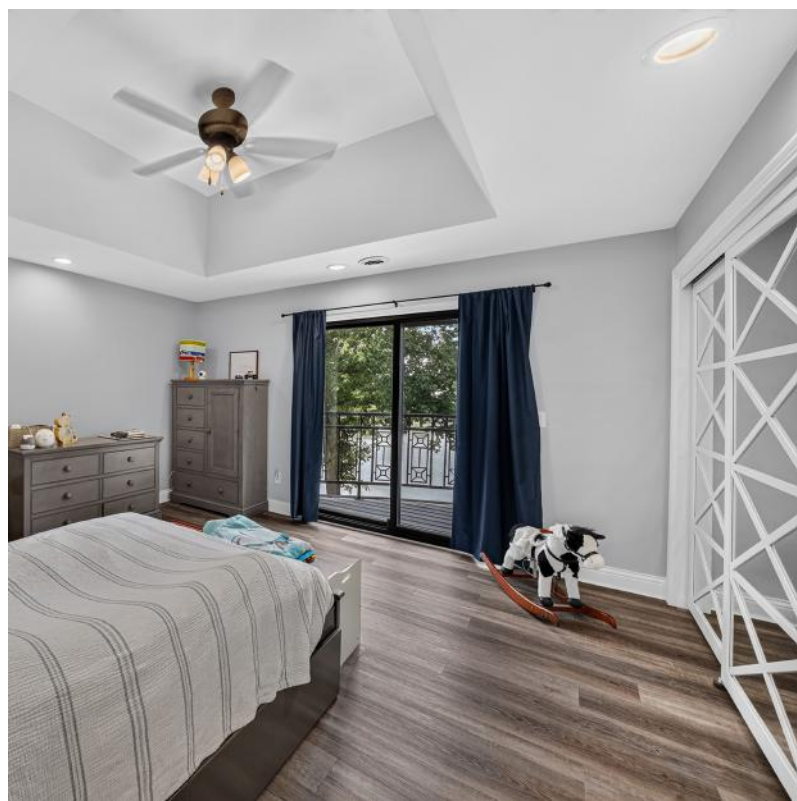

THE PRIMARY SUITE — A TRUE RETREAT. Wake to river views through arched windows, step directly onto your private patio, and unwind in a spa-inspired bath with a designer porcelain tub and oversized tile shower.

Upstairs, a second primary suite offers its own private balcony and sitting area, giving guests or family the same breathtaking water views.

THE INDOOR POOL — transforms every season into pool season. With vaulted ceilings, a separate spa, a gas fireplace, and a brand-new high-efficiency dehumidifier system, the space is equal parts wellness retreat and entertainment pavilion. A four-season workout room adjoins the pool house, so your fitness routine comes with a year-round view.
