ABOUT US

Established in 2025, Diamond Global Export is a professionally managed Exporter, Supplier, and Trader led by Mr. Faiyaz Ali Siddique. We are committed to delivering premium-quality agro commodities and industrial products to domestic and international markets with consistency, integrity, and reliability.

Our core strength lies in a comprehensive range of Indian Basmati and Non-Basmati Rice, including premium varieties such as 1121, 1401, 1509, 1718, 5101, Sugandha, Traditional, Sharbati, IR64, PR14, and Sona Masoori, available in Raw, Steam, Sella, and Golden Sella formats. Each grade is carefully sourced and processed to ensure superior grain length, aroma, taste, and uniformity.

In addition, we offer an extensive portfolio of whole spices and spice powders, including turmeric, red chilli, coriander, and cumin, along with a wide selection of traditional Indian masala blends such as garam masala, biryani masala, curry masalas, and specialty kitchen blends. Our products are processed under strict quality standards to preserve natural flavour, colour, and freshness.

Our product range is further strengthened by nutritious Indian millets, grey cement building materials, and industrial lubricant oils, enabling us to serve diverse industry requirements under one trusted name. At Diamond Global Export, our focus is on quality assurance, competitive pricing, timely delivery, and long-term partnerships, making us a dependable sourcing partner for clients worldwide.
