

IMU HEALTHCARE

Company Overview

At The Heart of Care

About Company

IMU Healthcare was officially launched by Dato' Seri Liow Tiong Lai, the Honourable Minister of Health of Malaysia, on December 4, 2010, in conjunction with the inaugural IMU Conference on Chiropractic and Chinese Medicine.

Who We Are?

IMU Healthcare envisioned to offer an integrated healthcare system, allowing patients to receive holistic care from a multidisciplinary team. This includes allopathic medical doctors, complementary healthcare providers such as Chinese medicine practitioners and chiropractors, as well as allied health professionals like dietitians, clinical psychologists, pharmacists, and nurses.

01

Expert clinicians that offer an individualised and holistic treatment options

02

An integrated healthcare facility comprising Medical, Dental, Chiropractic, and Chinese Medicine

03

Comprehensive range of services, from basic healthcare to advanced specialties and sub-specialties

Why Choose us?

Milestone

01

2010, Early

**Introduction:
IMU Oral Health Centre (OHC)**

IMU began to set up holistic healthcare centres as early as 2010; and the first centre it established was the IMU Oral Health Centre. The IMU Oral Health Centre saw its first patient on 14th January 2009 and was officially inaugurated on 4th December 2010 by Datuk Seri Liow Tiong Lai, the then Minister of Health Malaysia. Led by Dr. Sneha Ravindranath and Professor Allan Pau Kah Heng, the centre is equipped with cutting-edge dental technology and offers holistic, patient-focused care.

02

2010, May

**Introduction
IMU Chiropractic Centre (ICC)**

IMU Chiropractic Centre, headed by Dr George R Le Beau, was opened to the public in May 2010. The centre offers chiropractic examination, structural assessment and chiropractic treatments like therapy, ultrasound, electrical muscle stimulation, intersegmental traction and rehabilitation exercise.

03

2010, July

**Introduction:
IMU Medical Clinic (IMC)**

The IMU Medical Clinic, led by Dr. Verna Lee Kar Mun, opened its doors to the public in July 2010. It provides family medicine services, including personalized wellness screening programs and the management of both acute and chronic primary care issues. The clinic also offers plain radiography services, with laboratory services outsourced to external providers.

04

2010, Nov

**Introduction: IMU Chinese
Medicine Centre (ICMC)**

The IMU Chinese Medicine Centre, led by Prof. Zhou Wen Xin from Shanghai, was established in November 2011. The centre provides a variety of treatments, including herbal medicine, acupuncture, moxibustion, cupping (baguan), and tuina for both children and adults. In addition to these, the centre also offers other traditional Chinese medicine therapies.

Vision & Mission

Vision

A patient-centered teaching and learning tertiary Academic Healthcare Centre delivering international quality standards bringing to the community acclaimed selected centres of excellence.

Mision

To surpass the patient expectations with an outcome meeting progressive international standards delivered by an integrated professional team.

Our Services

IMU Healthcare offers a comprehensive range of services designed to provide personalized care plans, preventive measures, and advanced treatments to promote overall well-being.
