BISLEY

Fern – the sleek and stylish steel locker collection.

Our Fern family was crafted to enhance the cosy nooks in your home, allowing you to maximise your space without compromising style and charm.

With chic and contemporary features, our original Fern cabinets and our newly revamped Fern Peek collection, balance modern design with a classic retro feel. Elegantly designed to effortlessly complement your décor, choose your favourite Fern - from our bestselling Midi to the brand-new Stendi Peek.

Available in a selection of gorgeous hues to reflect your personality, enjoy Fern in a bright jewel-like colour or a muted, calming neutral. Style each piece your way, whether on its own or the full collection, to create a modern, industrial feel.

Each member of the Fern family is lovingly handcrafted in the UK. Made with high-quality, sustainable steel and reed-effect doors for Fern Peek's pieces, the collection is sure to last you a lifetime. All members, big or small, are delivered with care, fully-assembled, and ready to move in.

Fern – make yourself at home.
