THE PERFECT PARTNER FOR HOUSEHOLD APPLIANCES

Trisa Electronics AG offers a huge selection of household appliances. More than 90% of the products are less than 2 years old, a performance of which we can be rightly proud. The development of innovative technology coupled with perfect design in every detail has always been one of our explicit objectives. Trisa Electronics AG always attempts to be that famous nose ahead of its market rivals.

Our focus is always upon the best quality products, and that's why all the appliances come with a five year guarantee. If something should malfunction though, the in-house customer service team in Triengen will take receipt of your order and deal with all your issues as quickly as possible.

We will continue to do everything aided by our energy and inventiveness to to simplify your household and kitchen tasks.
