

Chadbrook Cards

TRADE CATALOGUE 2021

Welcome to the Chadbrook Cards 2021 Trade Catalogue

I am very pleased to present the first ever Chadbrook Cards trade catalogue. It represents a big leap forward for our business, as we continue to grow the network of retailers stocking our range.

Chadbrook Cards publishes an extensive collection of fine quality greetings cards featuring great works by some of the world's best-loved artists.

We carefully select works of art to ensure our range includes plenty of favourites that your customers will know and love, as well as many lesser-known works that are probably harder to find elsewhere.

We have worked hard over the last few months to almost triple the size of our range and we now have more than 150 designs to choose from.

Our cards are designed and printed in the UK using fine quality board from sustainable sources.

We do not use plastic packaging - each card is packed with a white diamond flap envelope inside a biodegradable and compostable film bag.

We have recently revamped our website, which always shows our full range of cards. We are constantly adding new designs, which means it's impossible to keep our printed catalogue fully up to date, so please check the website regularly for new designs. Or, better still, subscribe to our trade email newsletter and receive notifications of new releases direct to your inbox.

You can also register for a trade account at our website and place an order using our quick and easy online trade order form.

New trade customers can choose a free display spinner or a 25% discount off their first order (if it's for 48 units or more). Full details are provided on a separate flyer, or on the website: www.chadbrookcards.com/free-spinner/

I hope you enjoy browsing our range as much as we did curating it.

Best wishes,
Paul Thewlis
Director
