

CJ FOODS VIETNAM - MANUFACTURING NEWSLETTER

QUARTER 01 - 2023

- CJ Foods Vietnam Manufacturing **NEWSLETTER** will update our
- family - Manufacturing's news, activities, events, new products
- process launching, safety projects... from all departments
- quarterly.

It will help our valued member have an overview and quick catch-up with Manufacturing activities, transformation that we have been creating, building and developing to accelerate our performance, competency, passion and motivation at work.

In the very first version of **NEWSLETTER** in Quarter 1 - 2023, there are many activities that each of us may have participated in or known about.

Let's take a look at what happened in the first quarter of this year!

Best Regards,

HRBP - Manufacturing
