Guide to term-time

Wraparound

Welcome to our term time Wraparound facility which is available to all Brentwood Preparatory School pupils. This handbook has been designed to give you information about our optional before and after school arrangements.

We are fortunate that our Wraparound is run in-house by School staff who already hold Enhanced Disclosure and Barring Certificates and there are qualified Paediatric First Aiders on site at all times.

In providing a quality childcare service, we promote the following principles:

- Each child is respected as an individual
- Each child has the right to equal opportunities
- Each child has the right to play safely

Through structured and free play, we encourage the social, physical, intellectual, creative and emotional development of the child. The needs of the child is the primary focus of the Wraparound facility.

Aims of the Wraparound Facility

- To provide a stimulating and creative atmosphere
- To ensure all children feel included
- To work by our School policies
- To provide safe, high quality childcare
- To keep lines of communication open

Additional Information

Ratios

For the safety and wellbeing of our pupils, legal ratios are strictly observed and therefore there is a cap to the number of pupils that we can accept. This is in line with our safeguarding procedures.

Medical Conditions

Please note that we rely upon the existing medical and dietary information we hold on file for your child and would stress the importance of ensuring that this information is always accurate and up to date. If there are any changes, please contact our School Nurses.

Behaviour

Staff always encourage positive behaviour. The principles outlined in the School's Behaviour Policy are adhered to and sanctions will be applied where children do not adhere to instructions.

Costing & Refunds

Please be aware that costs are reviewed annually.

If a school activity prevents a pupil from attending a pre-booked Wraparound session, the cost of the Wraparound will be refunded ie Sports fixture or School Trip. If a pupil does not attend a pre-booked Wraparound session because of illness, there will be no refund.

Childcare Vouchers

We accept childcare vouchers for our breakfast club and after school club to assist parents of Prep pupils who use our wraparound childcare provision.

Parents should continue to 'sign up' to sessions in the normal way via your My School Portal account where there will be an option to select payment via childcare vouchers. The School currently accepts vouchers from the following childcare providers:

- Edenred
- Enjoy Benefits
- Care 4
- Computershare
- Sodexo

Please contact us should you wish to use any childcare vouchers that are not listed above.

Should a childcare provider not reimburse the School for any reason, any outstanding payments due will be added to your next termly fees invoice and late payment fees would apply at 1.5% per month.

Sibling Club

Sibling Club is available from 8am until 8.20am and again at 3.15pm for KS1 children with older siblings in KS2 only. KS1 pupils will remain in Sibling Club until their older sibling is released; 3.40pm for Years 3 & 4 and 3.50pm for Years 5 & 6.

This facility enables parents to collect their children from both phases of the Prep School at the same time and help alleviate congestion in the car park. No charge would be made for this facility.
