L'anima più elegante ed armonica del legno rivive in Sleek Wood, la nuova collezione di Emilceramica che rilegge con un linguaggio fresco e contemporaneo il fascino ricco di storia e calore di questo nobile materiale. Un bianco puro e luminoso, un tono naturale dai tratti semplici ed essenziali, un mogano caldo e suadente e un noce dal gusto classico e raffinato: quattro varianti di colore per dare risalto a grafiche lisce e pulite, prive di nodi e venature, ideali per infondere un tocco di eleganza sobria e leggera alle più svariate ambientazioni indoor.

Wood is at its most elegant and attractive in Sleek Wood, the new Emilceramica collection that reinterprets all this noble material's warm beauty and historic character in a fresh, contemporary language. A pure, gleaming white, a plain, simple natural shade, a warm, seductive mahogany and a classical, refined walnut: four colour variants that highlight a smooth, understated grain pattern without knots or obtrusive veins, ideal for giving a touch of tasteful, subtle elegance to the most widely varying indoor design schemes.

The image features a vertical wood grain background. A white circle is centered horizontally and vertically, containing the text 'SLEEKWOOD' and 'WHITE'.
