- Parlor: Suitable for Hospitality of Up to 5
  - 192 Square Feet

A tall skyscraper with a glowing dome at the top, surrounded by other city buildings at dusk. The central building has a distinctive pinkish-tan facade and a grid of windows, many of which are illuminated from within. The dome is a large, illuminated sphere with a grid pattern. To the left, a building with a red "Hilton" sign is visible. To the right, a taller, more modern skyscraper with a white facade and many windows is partially visible. The sky is a deep blue, suggesting twilight.
