& Mrs. Roberta R. Selby[†]*

A DREAM FULFILLED

(History of Southern Isabela Academy)

Southern Isabela Academy, started in 1967, was the fulfillment of a desire to be an instrument for bringing a high school education to a community that had no school and for bringing Jesus to a community that needed Him.

This desire came from a man of vision – Charles W. Selby who, together with his wife Roberta, had faith that this desire came from God and that God would provide what was needed so that this desire would be fulfilled.

Indeed, God provided an avenue through a resettlement project of the Philippine government for former Communist guerillas called at that time, EDCOR. The dilemma was, there were not enough funds to build a school but there was enough to start laying the foundations which Charles did saying, “We will start with what we have and God will provide our needs.” And so it began, God provided as each step of faith was taken.

And amazingly in 1967, SIA opened to the youth of the community that is now called San Guillermo.

SIA blazed a new trail as a tool for evangelism bearing a service record of almost 60 years now since her foundation. As the school opens her doors to students every school day of every school year, students are exposed to a balanced study of God’s Word along with their academic courses.

In 2014, another milestone is recorded when SIA opened her doors to pre-elementary pupils, with its Nursery and Kindergarten courses being offered. In 2021, both the Kindergarten and Elementary Courses were duly recognized by the Department of Education.

Moreover, with the enactment of the K to 12 Law, SIA welcomed its first batch of Senior High School students in 2016.

To date, almost 4,000 students and graduates have been baptized into Christ and several churches have been established as an outgrowth of the school’s ministry. It is for this reason that Southern Isabela Academy, also a member of the Association of Christian Schools International (ACSI), and a partner ministry of The Brigade, Philippines, must continue her mission for reaching the lost for Christ.

SCHOOL PHILOSOPHY

Spirituality, Ingenuity, Academism.

The school stands on a philosophy based on a God-centered view of truth as presented in the Bible. We seek to impart to each student Christian character development, communication and interpersonal skills and various subject matters in accordance with the requirements of the Department of Education and in harmony with God's truths and standard.

Parents are responsible before God for the proper education of their children. Therefore, parents and teachers are to work hand in hand so that the school can reinforce the Christian values taught in the home.

SCHOOL VISION

Southern Isabela Academy, Inc. shall be known as a producer of Christ-committed and globally competitive leaders of the society.

SCHOOL MISSION

SIA, Inc. is dedicated to provide Christ-centered education that fosters holistic development and academic excellence.

GRADUATION SONG

BELIEVE IN YOURSELF

Believe in yourself
There's power in you
Have faith in your dreams
And they will come true

There's much you can give
If you do your part
The choices you make
Should come from your heart

So believe in yourself
Cause there's nothing
You can not do
If you believe in yourself
Dreams can come true

The future depends
On what you will do
So set your goals high
And then follow through

Believe in your dreams
And soon you will see
You will become
What you want to be

So believe in yourself
Cause there's nothing
You can not do
If you believe in yourself
Dreams can come true
Dreams can come true

So look inside yourself
When things get tough
Feel the strength
And don't give up
You can make it through

There is power in believing
Your dreams are there for you
Work hard
And make them all come true

Believe in yourself
There's power in you
Have faith in your dreams
And they will come true

There's much you can give
If you do your part
The choices you make
Should come from your heart

So believe in yourself
Cause there's nothing
You can not do
If you believe in yourself
Dreams can come true

Believe in yourself
And others will too
So believe in yourself
And your dreams
Can come true

PLEDGE OF LOYALTY

*With the sober and solemn sense
of responsibility,
invoking the benign aid of the Almighty,
I promise to hold my Diploma as sacred trust,
with untarnished honor to myself,
in generous loyalty to my Alma Mater,
the Southern Isabela Academy, Inc.,
for unselfish service to the nation,
humanity,
and with sincere consecration to God.*

ALL HAIL SIA!

(SIA Hymn)

Words and Music by Mrs. Vergie S. Medina

All hail, all hail SIA
Alma Mater we say
We pledge our love and loyalty
Praise, truth and dignity

The young and old you care for
Provide them what they need
Academism, Ingenuity
Spirituality.

Chorus:
In our problems and despair
Through God's help
We will stand
We SIAns willing, come
and help you
To fulfill all thy dreams
Honor and glory be to God
For all eternity

Gladly we sing thy praises
Thy sons have found success
Our loyalty forever true
To God and S-I-A.
