Mrs Hudson

Welcome to Bridgewater Park Primary School

We are a small primary school, in the heart of Castlefields, Runcorn. We know all our pupils really well and give them what they need to be successful. We develop character and support pupils to be kind, polite and caring towards others.

Our curriculum is broad and exciting, enriched with opportunities for pupils to develop skills and knowledge. We offer our pupils the opportunity to take part in learning beyond the classroom, with a range of enrichment activities which happen throughout the school year.

When your child starts their school life with us, we invite you into our Bridgewater Park family and ask you to work in partnership as we share your child's school journey together.

Mrs. A Hudson
Head of School

Breakfast club	8:15 a.m.
Open for registration	8:35 a.m.
Home time	3:15 p.m.
Extra-curricular activities	3:15 p.m. - 4:00p.m.

Breakfast Club

Our breakfast club is open to all pupils. Our breakfast club provision offers pupils the opportunity to start the day well and enjoy spending time with friends and staff.

Extra-Curricular Clubs

We run a wide variety of extra-curricular clubs, details of which are circulated at the start of every half-term. Most after school clubs finish at 4.00 p.m.

Uniform

Our school uniform is a symbol of pride and unity, representing our values of respect, responsibility, and community. Wearing the correct uniform helps our pupils feel a sense of belonging and equality, creating a focused environment where learning comes first. It's important that all students wear their uniform each day, as it reflects our school's high standards and encourages pupils to take pride in their appearance and their role as part of the school community.

Whole School Uniform

- White shirt
- Grey pinafore, skirt, trousers or shorts
- Purple and green striped tie
- Purple V- neck sweatshirt or cardigan
- Grey socks or tights

Summer

- White polo shirt (school logo optional)
- Grey pinafore, skirt, trousers or shorts
- Purple gingham dress
- Purple sweatshirt or cardigan with school logo
- Grey socks

PE

- White T-shirt or polo shirt (with or without the school logo)
- Purple or black shorts or black leggings or jogging pants
- Black pumps or trainers

Other Requirements

- Black school shoes are to be worn at all times (no trainers unless for PE).
- Small hair accessories are allowed (no Jo Jo bows or coloured braids).
- No jewellery
- All pupils also need a school book bag.

Branded uniform can be purchased from Touchline Embroidery. However, parents and carers may also purchase unbranded uniforms in the school colours.

Commitment to Early Education

The early years team is committed to providing pupils with the best possible start to school life, providing them opportunities to follow their interests to ensure future success.

School Values and Environment

Our school values of kindness, integrity and tenacity are embedded into all that we do. Not only do we aim to prepare our pupils academically for the next stages in their life, but we also develop our pupils into the best versions of themselves through providing them with a safe, inspiring and positive environment.

Our pupils are happy, enthusiastic and confident learners with aspirations to excel in whatever they choose to do.

Fostering a Love for Learning

Pupils are encouraged to investigate, take risks, play, discover and create with each and every small achievement being celebrated as we endeavour to foster a love of learning.

Forest School

Forest School is a holistic and learner-led curriculum in which pupils develop themselves through healthy engagement with risk, problem-solving and self-discovery, all within the natural environment.

Whatever the weather, you will find our early years pupils outside enjoying the great outdoors, whether it be splashing in muddy puddles or tending to their plants and vegetables in our very own garden.

Supporting Early Development

Pupils develop quickly in the early years and a pupil's experiences from birth to five impact on their future life chances. Our early years staff work to give our pupils the best possible start via a well planned curriculum delivered in our beautiful early years classroom.

Nursery

At Bridgewater Park nursery, we provide a warm and nurturing environment where your child will thrive from the age of 3+. Our dedicated team of fully qualified staff ensures that every child feels supported and encouraged as they begin their learning journey. With a clear transition into reception, your child will be well-prepared for the next exciting step in their education. Our indoor and outdoor learning spaces offer a range of opportunities for exploration, creativity, and growth, including the chance to engage in our Forest School program, where children connect with nature and develop essential skills. Whether you're looking for part-time or full-time care, we're here to give your child a solid foundation for the future in a safe, fun, and engaging setting.

We implement the Development Matters 3-4 framework to ensure that all children receive the best opportunities to develop across all areas of learning. This framework guides how we support children aged 3 to 4 years in their development, providing a balanced approach that fosters emotional, physical, social, and cognitive growth.

Please contact the school office to arrange a tour of our nursery provision.

We look forward to meeting you!

A blurred background image of several young children in a classroom, wearing purple school uniforms. They appear to be sitting at desks and engaged in an activity, possibly writing or reading. The image is framed by a purple border.

Pupils love attending this school. They enjoy their lessons and the many interesting activities that their teachers provide.

Vision

At Bridgewater Park, we believe that it is our responsibility to empower our children to overcome barriers, compete with the best, and shape the future.

Values

These are the three core values we live by every day. Our values are continually promoted through our curriculum offer, behaviour and expectations. Children are encouraged to demonstrate our school values in all contexts.

With **kindness**: we look out for each other.

With **integrity**: we do the right thing.

With **tenacity**: we do what it takes.

Our curriculum

We believe that every pupil has the right to learn and that all pupils receive an education that provides them with the knowledge and skills for life beyond the classroom. We follow the English National Curriculum. Our aim is to provide our pupils with a high-quality curriculum that emphasises the development of both disciplinary knowledge and substantive knowledge, as well as exposing pupils to a wide range of vocabulary. We use a metacognitive approach as a vehicle to deliver curriculum lessons, this offers pupil to opportunity to revisit prior knowledge, retain and re-apply across the curriculum.

Full details of our curriculum can be found on our website or alternatively please contact school to find out more.

We believe in early identification of special educational needs which is done through a variety of specific screening tools. Attainment is assessed on entry to school so that the foundations during the pupil's pre-school years can be built on. Our special educational needs and disabilities coordinator (SENDCo) liaises and supports pupils and parents.

If a pupil has already been identified as having a special educational need, then the class teacher and SENDCo will use this information to:

- Provide starting points for the development of an appropriate curriculum
- Identify the correct provision and support for a pupil
- Use assessment processes to identify any learning difficulties
- Ensure ongoing observation and assessments and provide regular feedback about the pupil's achievements and experiences to form the basis for planning the next steps of the pupil's learning to secure good outcomes

My son has only just moved to this school and we have both found the school to be amazing.

We nurture our pupils' personal development through a rich and varied curriculum that emphasises our core values of kindness, integrity, and tenacity. Our pupils benefit from activities including Forest School and special 'growing up great' lessons.

We offer a range of personal development interventions, including mental health support and resilience-building programs.

Our pupils enjoy many and varied educational trips, including visits to local libraries, art galleries and museums and exciting sporting adventures.

Family involvement and community spirit are very important to us. We host many events, including stay-and-play sessions, parent workshops, and family celebrations.

Our Jigsaw PSHE curriculum helps pupils explore themes such as healthy relationships and personal goals, whilst our commitment to promoting British values ensures a respectful and inclusive environment.

We offer our pupils the opportunity to take part in Forest School activities. Forest School has many benefits for pupils. Forest School gives pupils the opportunity to experience outdoor learning and, over time, leads to foster in their own self-belief, confidence, encourage communication, and problem-solving skills.

Website

Our website is packed with valuable information covering every aspect of our school. We encourage you to explore it for all the details you need: www.bridgewaterpark.halton.sch.uk.

School Tours

We take great pleasure in giving prospective parents a tour of our amazing school. If you're interested in exploring our facilities, Please contact the school office to schedule a visit.
