A LETTER FROM OUR CEO

EVER ANCIENT, EVER NEW

To Our Students, Families, and Supporters,

As we look back on the past year, I am proud to share The Classical Academies' 2025 Annual Report. This year's theme, Ever Ancient, Ever New, reflects the enduring foundations of a classical education and our commitment to renewing them in ways that meet the needs of today's learners.

Throughout the year, our students have embraced challenges, explored new ideas, and pursued excellence with curiosity and courage. They have demonstrated that combining timeless principles with modern opportunities empowers them to grow academically, socially, and personally.

The achievements showcased in this report are a testament to the strength of our community. Together, we are cultivating an environment where knowledge is rooted in tradition yet applied in innovative ways, preparing every student to lead with character, wisdom, and confidence.

As we continue on this journey, we remain dedicated to nurturing minds, inspiring hearts, and equipping students to thrive in a rapidly evolving world. Thank you for your ongoing support and partnership in shaping the future, one that honors the past while embracing what lies ahead.
