

THE TIPSIAN BIWEEKLY

**KG PARENT
ORIENTATION
2024-25**

PRINCIPAL'S DESK

Dear Parents,
Happy Academic Year 2024-25!

Welcome to our Kindergarten Bi-weekly Newsletter. This newsletter will cover important academic updates, school-wide events, celebrations, special assemblies, parent involvement programs, guest talks, and field trips. We hope to keep you informed and engaged in all the exciting activities happening at our school.

We extend our appreciation and thanks to the parents who attended the PARENT ORIENTATION, for their support and enthusiasm. Your involvement is crucial to your child's success and well-being.

For our first-time school comers, these past two weeks have been a crucial period of adjustment. By now, the kindergarten children should have settled comfortably into their new environment. They may have already started forming new friendships, building attachments, and developing a sense of trust with their class teacher. We encourage parents to support their children in this transition from home, helping them feel secure and confident in their new routine.

Parent Role in Kindergarten:

1. Create Routines: Ensure children sleep on time, wake up on time, have ample free play, and read during bedtime. Establishing routines helps children feel secure and ready to learn.
2. Follow Weekly Updates: Stay informed through weekly updates. If children need support, reach out immediately. Communication is key to addressing any concerns promptly.
3. Be Present: Attend school events to support your child's experience. Your presence shows your child that their education is a priority and builds a strong school community.

We look forward to a fantastic year of growth and learning together.

Ms. Aruna Maheswari

Principal

The Indian Public School , Salem.

KG COORDINATOR DESK

As we begin this new academic year, let us foster the spirit of collaboration and partnership. Together, we can create memorable experiences and support each child's unique journey of growth and development.

We are excited to see our budding learners embarking on their Educational Journey filled with curiosity, wonder, discovery, and growth. At TIPS, we are committed to creating a nurturing and stimulating environment. Our dedicated staff understands and supports every child based on their needs and pace. We have crafted engaging and enriching strategies to ignite a passion for learning, foster creativity, and build a strong foundation for academic success. We believe in the importance of a balanced approach that includes academic rigour, social-emotional development, and plenty of play.

We are all set for a year of exciting adventures, explorations, learning, and growth!

Ms. Preetha R

KG Coordinator

The Indian Public School , Salem.

IMPORTANT DATES

1st July, 2024

**NATIONAL
DOCTOR'S
DAY**

KG Parent Orientation

The Parent Orientation Programme fosters awareness and understanding of the teaching and learning methods within the school curriculum. It creates harmony between parents and teachers and helps parents become aware of the resources available for their children. Additionally, it builds trust and confidence in the school management.

KG Parent Orientation

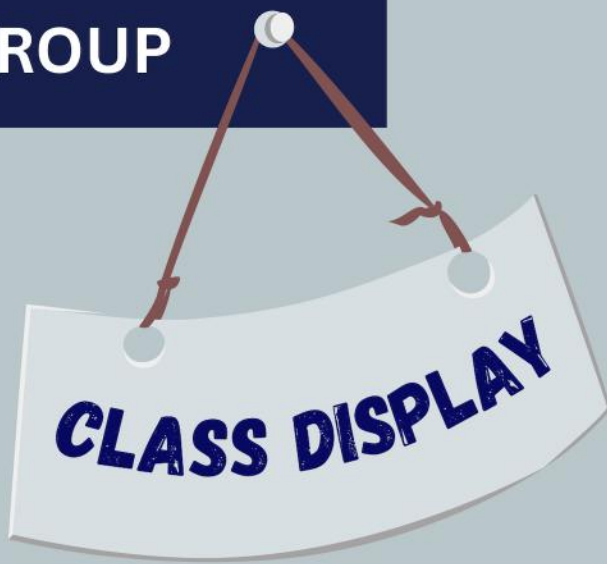

Welcome Back to School

Welcoming students back to school is the first step in creating a strong bond between children and teachers throughout the year. This provides social and emotional support to the children and creates a positive atmosphere for parents and students. At TIPS, the children were greeted and engaged in various fun-filled activities. Our little ones planted seeds to celebrate the new beginning, symbolizing growth and a fresh start for the year ahead.

Father's Day Celebration

HAPPY
FATHER'S
Day

Father's Day provides children with an opportunity to express their love and appreciation for their fathers and father figures. It offers an opportunity to acknowledge the important role fathers play in raising their children. This day helps children understand the critical role their fathers have in their development and well-being, fostering a sense of safety and security. Our children created keychains and handprint crafts to present to their fathers as a token of their love.

Father's Day Celebration

Father's Day Celebration

International Day of Yoga

Yoga enhances emotional regulation, making it easier for children to manage their emotions throughout the day. It promotes lifelong physical fitness through regular practice, fostering flexibility, balance, strength, coordination, and posture. Additionally, yoga is a holistic practice that enhances body awareness and cultivates children's ability to focus, equipping them with valuable life skills.

International Day of Yoga

Free Play

Free play supports the development of children's language, thinking, and problem-solving abilities. It enhances their motor skills and fosters self-confidence. During this unstructured playtime, children take the lead while facilitators support their exploration and learning.

Play Dough Activity

Playdough focuses on enhancing children's fine motor skills by engaging them in activities such as squeezing, rolling, pushing, pulling, chopping, cutting, and squashing. These activities strengthen the muscles and enhance hand-eye coordination. Moreover, playdough nurtures creativity and develops critical thinking skills in children.

Dance

Dance inspires children to explore creativity through diverse steps, actions, and movements. It uplifts their spirits and nurtures self-confidence. Additionally, dance enhances coordination, and muscle tone and contributes to improved mental health. Its stimulating effect on the brain accelerates cognitive processes, thereby enhancing learning abilities.

School Prayer

Values are integral to the school curriculum. School prayer cultivates compassion, empathy, gratitude, and respect for others, fostering inner peace.
