# Introduction

Every child deserves to feel safe, loved, and heard. For children in Kansas foster care, that voice often comes from a Court Appointed Special Advocate (CASA)—a trained community volunteer who stands by their side through the uncertainty of abuse and neglect cases.

Kansas CASA Association, Inc. is the backbone of this vital mission. While our local CASA programs work directly with children, Kansas CASA provides the support, resources, and infrastructure that make their work possible. We ensure that every CASA program across the state has the training, tools, and advocacy they need to recruit and equip volunteers who can change the trajectory of a child's life. **Together, we can support children across Kansas.**

## Vision & Mission

### Our Vision

A CASA volunteer for every child in the Kansas foster care system, that provides on-on-one advocacy for children in the child welfare/court system.

### Our Mission

To enhance the success of existing and developing Kansas Court Appointed Special Advocate (CASA) programs with sustainable resources, training, partnerships, and funding.

# Ways to Support Kansas CASA Association, Inc.

There are many ways your business or organization can partner with us in our upcoming Online Auction & 50/50 Raffle. Whether through sponsorship, donating an auction item, or contributing to the raffle, your support makes a statewide impact while giving your business meaningful recognition.

## Event Sponsorship

Choose from four sponsorship levels, starting at just \$50. Each level offers visibility through social media, email acknowledgments, and more.

## Donate an Auction item

Showcase your business by donating an item for our online auction. Donated items will be featured in the auction catalog and promoted to bidders statewide. Items should be easy to ship so we can promptly deliver them to winning bidders.

## Contribute to the 50/50 Raffle

Our 50/50 raffle supports CASA on both a statewide and local level. Half of the funds raised go to Kansas CASA Association, Inc., and the other half goes to the local CASA program in the winner's community. If no program is nearby, the winner helps select the closest CASA program to receive the funds. Every donor is entered into the raffle drawing!
