Original

Silicone+

A black and white photograph of a hand holding a curved blade, possibly a sword or a specialized tool. The blade is dark and has a serrated edge. The hand is visible on the right side, gripping the handle. The background is heavily blurred, showing indistinct shapes and colors, suggesting an outdoor or industrial setting. The overall tone is dramatic and focused on the object being held.

A mysterious, provocative scent that gradually reveals its contrasting notes. With a highly qualitative floralcy which is married by a warm ambery base. Heart notes of jasmine and orange blossom with base notes of amber and musk are perfect for the evening. Coco is a multifaceted fragrance that is sensual and sophisticated — a complex medley executed perfectly.

Stemmy greens with citrus aldehydes and fresh herbs balanced with amber and musk. A medley of scents that vibe with bergamot, sweet verbena and fresh vetiver known to have healing powers. Enhanced by the ever so sweetness of rosewood and sandalwood, that will make you dream of the Greek Isles. With this fragrance, summer is a state of mind.

Fresh and clean autumnal scent that has a complexity in its notes. Essential oils of lemon and cedar bring greater alertness and positive energy. Tea Garden has mildly spicy undertones that refresh and invigorate. A relaxing spot of tea in a beautiful Victorian garden, sipping in the shadow of an ancient castle. Tea Garden will have you feeling refreshed and ready to take on the traffic.
