MESSAGE FROM THE FOUNDER & PRESIDENT

Sheila L. Harper

What an extraordinary year 2025 has been for SaveOne!

We celebrated a major milestone—twenty-five years of SaveOne—and with that, our Board encouraged me to step away for a season of sabbatical. Through part of June and July, I took thirty days and was deeply intentional with every moment.

One full week was spent alone with God. Much of that time, I was face down on the floor in prayer and listening. It was a life-changing week for me, and for SaveOne. Your giving made that sacred space possible. Because of you, this sabbatical became a gift that benefitted us all.

Throughout those thirty days, I asked the Lord hard and holy questions, seeking vision, direction, and clarity of purpose. What I sensed clearly was this: God has placed His hand heavily upon SaveOne. He entrusted us with an audacious calling for the next five years:

ONE THOUSAND CHAPTERS BY THE YEAR 2030.

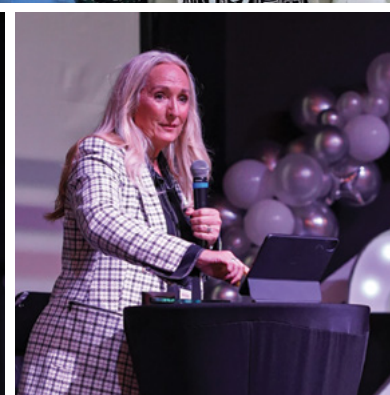

During that season, the Lord continually brought me to Psalm 102:18, a verse that anchors why we do what we do. Why we never stop raising funds. Why we keep sounding the alarm. Why we believe abortion can be overcome in hearts, churches, communities, and ultimately, our nation and world:

“Let this be recorded for a generation to come, so that a people yet to be created may praise the Lord.”

Thank you for your generosity in 2025. You are helping prepare for a generation yet to come, ensuring they know there is a God worthy of praise, who still heals and restores.

We are watching the battle be won. That is the fruit of your faithfulness, and we could not be more grateful.

As you review this 2025 Impact Report, know this: your fingerprints are all over it, and you have my deepest gratitude. May God bless you and keep you, and may He pour out abundant blessings over your life in 2026.

“You light a lamp for me, The LORD, my God, lights up my darkness.”

Psalms 18:28

MESSAGE FROM THE VICE PRESIDENT & DIRECTOR OF MEN'S OUTREACH

Jack Harper

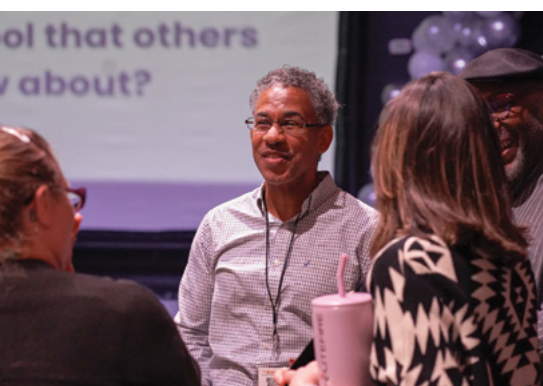

There is a powerful passage of scripture in Psalm 18. King David had just acknowledged how mighty God had been in the past. God's faithfulness and power cause David to rise up in faith and speak about what God will do in the future. David simply says in verse 28, "You will light my lamp".

Early in 2025, we met a man who was deeply wounded by an abortion that he had participated in nearly 40 years ago. For four decades, he had carried hurt, pain, guilt, and shame for encouraging an abortion with his girlfriend. God's Word brought healing to him; his darkness was overtaken by the light God lit in his life. Now, he is the father, husband, man, God intended him to be before the abortion aftermath became a part of his story. These types of transformations are on constant repeat at our SaveOne headquarters. 2025 was filled with stories of men who acknowledged their pain, asked God to heal, and now walk in wholeness.

This is the confidence we have in men and the *SaveOne* Bible study. God's Word has been faithful to heal the abortion wound in men in the past and will continue! We believe that each time a man contacts our SaveOne office seeking help, only God can and will remove him from the darkness of the aftermath of abortion. Thousands of times, the Lord has lit the lamp for men. We believe He will light another lamp and another lamp and another.

In October of 2025, SaveOne hosted our bi-annual Summit. It was incredible to see men taking leadership roles. I told the crowd that I remember SaveOne Summits where men only stopped by to speak on a subject Sheila assigned. I love seeing men taking their rightful place in the Kingdom and fighting for the life of the unborn.

Thank you, as supporters and partners of SaveOne. You make it possible for men to move from the darkness of an abortion wound and into His glorious light!

THE CHAPTER PROCESS

To be an officially recognized chapter of SaveOne you must be under the covering of your pastor or ministry leader. We have made this process as simple as possible.

1

EMPOWER

Permission from your pastor, center director, or ministry leader to teach SaveOne.

2

EQUIP

Hold your SaveOne training through in-person staff sessions, online training, or streaming videos.

3

ENGAGE

Offer the *SaveOne Bible Study* to help men, women, and families recover after abortion.

THE CHAPTER BENEFITS

There are many added benefits to becoming a chapter, like free advertising, access to your own personal staff member for questions and prayer, free and downloadable chapter tools, plus:

- Prayer covering by national staff
- Free web page on the SaveOne website with unlimited personal access
- A chapter coordinator over your state to assist you with questions, encouragement, and prayer covering
- Easy access to national staff through social media, quarterly online meetings, and regular updates
- Instant, national coverage for directing people who are hurting in your area to your Church, pregnancy center, or ministry

MESSAGE FROM THE EXECUTIVE ASSISTANT & SPEAKING TEAM

Sonya Wiley

Our hearts are filled with gratitude and awe at all that God has done through this ministry—and through you. This past year, we celebrated a remarkable milestone: **25 years of SaveOne!** What a testimony of God's faithfulness and the power of His healing grace.

Through every season, your partnership has made it possible for men and women to find freedom from the pain of abortion and sexual trauma. Because of your prayers, generosity, and encouragement, we continue to witness lives restored, families healed, and hearts transformed by the love of Christ. This year has been full of incredible victories worth celebrating together:

- We **made the final payment on our office space**, and we now own our own ministry place.
- We **welcomed 32 new SaveOne and Finding You chapters into our growing family**, expanding the reach of God's healing message around the world.
- We **held 15 leadership training sessions**, equipping passionate men and women to minister effectively in their communities.
- And we **released our brand-new Miscarriage Bible Study, *Where Hope Lives***, offering comfort, hope, and healing to those walking through the pain of loss.

Each of these milestones is a direct result of your faithfulness. Your prayers sustain us, your giving fuels the mission, and your encouragement reminds us that we are not in this work alone. Together, we are reaching those who are hurting and showing them that God's grace is greater than their past.

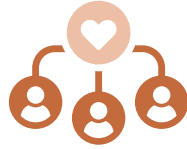

As we look ahead to a new year, our hearts are expectant. We know God is not finished writing the stories of redemption that begin through SaveOne. From all of us at SaveOne, thank you for standing with us, believing in this mission, and helping us bring hope to the wounded. You are a vital part of this ministry family, and we truly could not do this without you.

MESSAGE FROM THE DIRECTORS OF SAVEONE EUROPE

Sonja & Chris Horswell

We are both so grateful for what the Lord has done in 2025. Our goal is to accomplish our mission of raising leaders for this ministry and bringing healing and restoration after abortion to men and women in all 45 nations in Europe. We still have a few countries that need SaveOne’s presence.

We translated two books this year. Especially important to us was the launch of *Finding You* for the German-speaking countries (Austria, Germany, and Switzerland). We held five *Finding You* courses (Slovenia, Croatia, and Bosnia), and we are currently preparing training materials, as additional people want to be trained for this ministry, and many more are on the waiting list to take this recovery course.

2025 Accomplishments

- 400 women and men were able to heal through a SaveOne course.
- 300 individuals attended our leader trainings in person or via Zoom.
- SaveOne was introduced in 30 churches and at several conferences.
- New leaders from Scotland, Norway, Austria, and Croatia joined SaveOne.
- 5 salvations
- Successful meeting with 21 German-speaking leaders in Burghausen.
- We participated with booths at the March for Life in Austria/Switzerland.
- Pastor Barbara Telzerow from Slovenia was named *Finding You* coordinator for the Balkan countries (Eastern Europe).
- NEW webpage for Finding YOU www.saveoneeurope.org/finding-you
- Three podcasts on SaveOne Europe launched in Vienna /Austria.

Outlook for 2026

- Sharing about SaveOne at a meeting with pastors/Christian organizations in Bari, Italy (May).
- *Ripple Effect* and *Finding You* courses in German will begin.
- Meeting in Planina Rakek, Slovenia with English-speaking SaveOne leaders, co-leaders, and friends, for training, fellowship, and fun (October).
- 10 training days in German and English

Increased international engagement in 2025 brought the issue of men’s lives back into the public spotlight. Collaboration with the pro-life organization “Schreeuw om leven” (Cry for Life) in the Netherlands, led by ethicist Arthur Alderliesten, organizer of the March for Life in The Hague, and author of *Men, Unwanted Pregnancy, and Abortion*, was intensified. There was also an opportunity to be part of additional interviews on PAX TV in Hungary and participated in “Together for Life” in Nikšić, Montenegro, allowing us to exchange ideas with international leaders and guests about the visionary and practical work of protecting unborn life in Europe as well as supporting and accompanying individuals after an abortion in a country where there are hardly any such services.

Additionally, our teams are on the ground talking, building up existing chapters, starting new chapters, and sharing God's word for hope in other countries all around the world, including Armenia, Australia, Canada, China, the Dominican Republic, Haiti, India, Kenya, Liberia, Nigeria, Singapore, South Africa, and Uganda. **We also welcomed two new countries to the SaveOne family: Norway and New Zealand!**

It is through your prayers, help, and the grace of God that we have been able to grow by leaps and bounds around the world. We cannot thank you enough!

MESSAGE FROM THE SAVEONE INTERNATIONAL LIAISONS

Timothy & Kristy Hall

Sometimes we take for granted the small steps we make, not realizing they lead to bigger things. Last year was like that for us: staying busy but not realizing that what we now see as daily tasks are building blocks for better outcomes.

Locally, we trained two new leaders to lead our SaveOne chapters in our Michiana area. We hope they will be in place this year, so Timothy and I can focus only on our international chapters. Timothy and I facilitated two SaveOne trainings: one focused on the U.S. and another for pregnancy care directors in South Africa. We also introduced *Finding You* to our church family, held two trainings with 10 people, and two classes with a total of 7 participants!

Our chapter in New Zealand has become official, so we're planning to meet them in November. It's also mine and Timothy's twenty-fifth wedding anniversary (in June), so this trip will be a combination of SaveOne and personal celebration.

We have two churches in Uganda who very much want to become SaveOne chapters, but due to internet issues, we've not been able to train them to lead *SaveOne* &/or *Finding You*. The team in South Africa, led by Mpho Khauoe, is currently working on the details of putting the training materials onto thumb drives that can be purchased at reasonable rates and sent to any African nation. Mpho and her team have not slowed down! Her right-hand woman, Lele, is now in a salaried position with their non-profit through another non-governmental agency, allowing her to leave her full-time job outside the home, be home with her two gorgeous daughters, and work for SaveOne Southern Africa from there. Their team is focused on schools and universities, building young people up to choose abstinence, and walking alongside young mothers who choose life for their children. SaveOne Initiatives, as they're known in South Africa, had the opportunity to share in three high schools and two universities. There is a large network of pregnancy care centres in South Africa that Mpho and her team are working with. They have also trained SaveOne facilitators at three churches in the Pretoria area and are reaching into the nation of Lesotho, where Mpho originally comes from.

We're working with a Brazilian lady in our church who is excited about the prospect of translating books into Portuguese for us. She just had her first baby in January, so we're giving her a little time before we start putting her to work.

The highlight of our year was the SaveOne Summit in Tennessee, and especially our time as just the staff at Jack and Sheila's home. Timothy and I are honored to be part of this leadership team and to be part of these amazing world changers, full of wisdom, integrity, and, most of all, the Holy Spirit. We always walk away from the Summit refreshed and encouraged, but this year we can also say it was life-changing. We're more excited than ever for what 2026 has in store!

Hebrews 12:15 NLT

MESSAGE FROM THE SAVEONE FINDING YOU SPECIALIST

Dr. Paulette Swiger

This past year, I was honored to make an introduction video for the launch of *Finding You* in Germany and to co-present at the SaveOne Summit 2025. It was incredibly rewarding to utilize my years of experience for these events. It is my joy and privilege to share how effective *Finding You* is in the field of sexual trauma healing and to help people understand that they can play a part in bringing this healing to their communities.

At the Summit, we celebrated that SaveOne, the largest protestant abortion healing organization in the world, is also at the forefront of sexual trauma healing. Our message is spreading globally!

As SaveOne’s *Finding You* specialist, I have heard my share of stories. Stories that should be rare but are common. I have heard that wounds that are covered do not heal well. This is true for the wounds of abortion and the wounds of sexual abuse. Ignoring these wounds does not make them go away. Telling people to forgive and forget the past does not heal anyone. We must continue to talk out loud about these issues, promote prevention, and at the same time talk about the healing that Jesus brings.

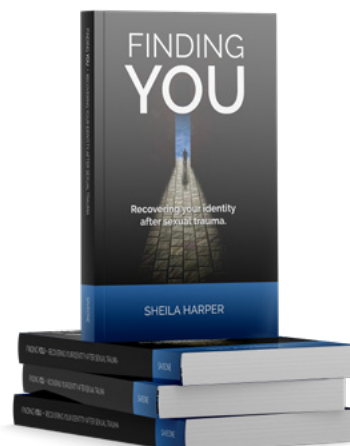

2026 is a year of opportunity. We will continue to bring awareness to healing for sexual trauma. There is no wound so grievous that God turns His gaze away. He is there for the worst, the ugliest, the things we would rather not see. He is bigger than all of it! Let us remember, God can make incredible good come out of unspeakable evil.

Thank you for joining us in this fight!

SAVEONE DEVELOPMENT GOALS FOR 2026

Thank you for your ongoing support, which has enabled us to continue growing the SaveOne ministry in cities across the country and to offer safe places of healing and restoration. As we have traveled through the world of abortion recovery, we have met men and women from all walks of life and journeyed with these people through some dark valleys as they dealt with the subject of abortion.

Your ongoing support proves that the abortion-wounded can be connected to Jesus, and He can transform their lives so they never have to be silent again about the pain and devastation abortion leaves in its wake.

2025 was a big year for SaveOne:

- **WE PAID OFF OUR OFFICE SPACE, AND WE ARE NOW DEBT FREE!!!!**
- We launched our newest book, *Where Hope Lives - Healing the Silence and Sorrow of Miscarriage*.
- We have the men's and women's Spanish studies translated and updated, and are now working through *The Ripple Effect*.
- We celebrated **25 YEARS OF SAVEONE!** with the largest and most successful Summit on record.
- We gained two new countries where SaveOne now has a presence... New Zealand and Norway.
- We gained one new state - New Mexico.

WAYS TO GIVE IN 2026

We are so grateful for your support. It is through your help and the grace of God that we have been able to grow by leaps and bounds.

SaveOne's Presence in All 50 States

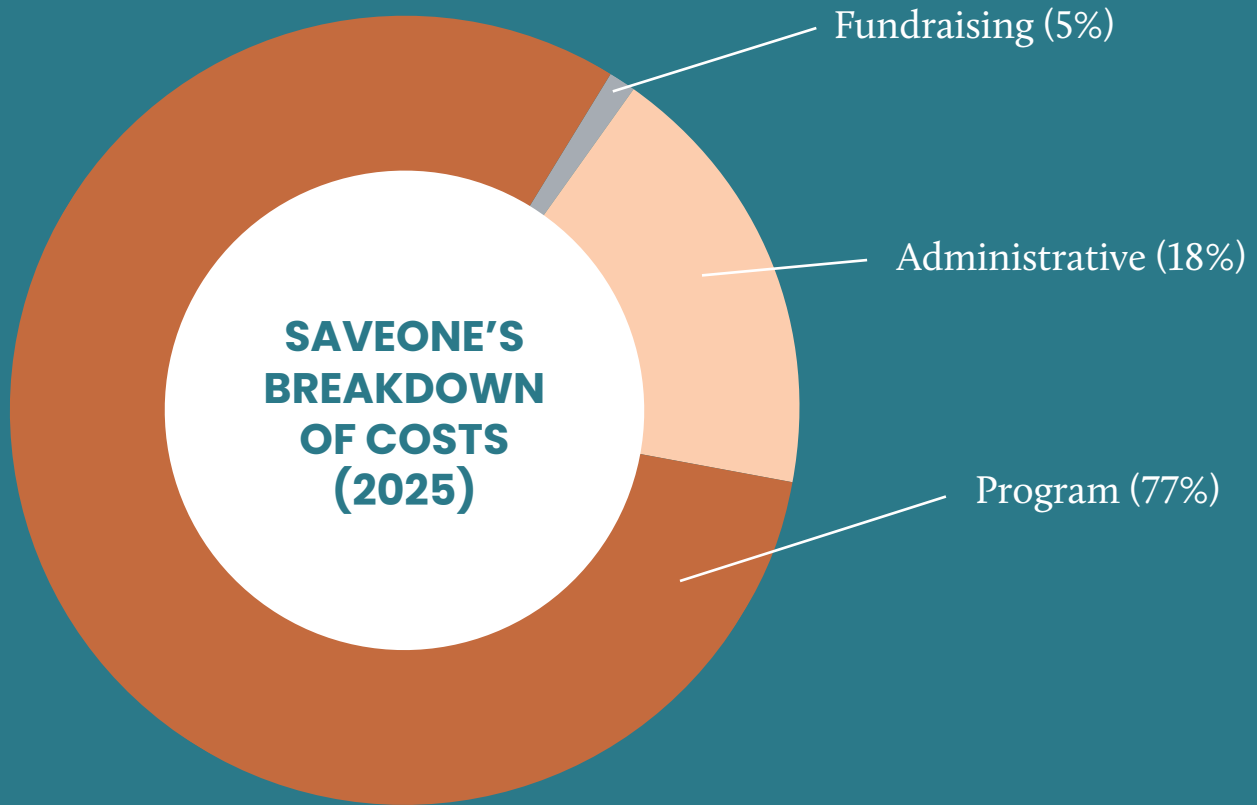

We have always dreamed of having a presence in all 50 states in America (we are currently located in 43). Throughout 2025, the team traveled to these states, attended conferences, met with pastors, and looked for ways to bring abortion recovery to Vermont, Connecticut, Nebraska, North Dakota, Utah, Alaska, and Hawaii. We have made meaningful connections and taken leaders through our training in these states. Slowly, we are tilling the ground. These new states take investments of time and money to make happen, but **THEY ARE COMING!**

SaveOne's 5-Year Vision

1000 chapters by 2030! As you can see, stepping into new territories takes much investment. A new chapter costs us anywhere between \$250-\$1000, averaging \$650 per chapter. Our goal is to start over 100 chapters in 2026 and do the same over the next five years, reaching 1000 chapters by 2030. This is an additional 568 chapters! Your financial investment and prayers make this happen.

<<< *Scan to Give!*

We cannot do this without you, and we hope you will consider giving in 2026. From extremely grateful hearts, we say thank you, and we appreciate you. You made 2025 a banner year for SaveOne and toward making abortion unthinkable in the lives of men, women, and families!

**HOPE EMPOWERS YOU TO WALK
THE PATH, RUN THE RACE, WITH
NO DOUBT THAT GOODNESS IS
AHEAD, EVEN IF YOU HAVE NOT
SEEN IT YET. HOPE IS NOT MERELY
A FEELING; IT'S AN ACTION.
IT'S A DELIBERATE DECISION TO
TRUST IN GOD'S GOODNESS."**
