About Us...

At **Boxercraft**®, everything we create is rooted in comfort, style, and spirit. Since our founding in 1985, we've built a brand dedicated to casual loungewear that connects people to the moments, teams, and communities they care about. What started on college campuses has grown into a lifestyle brand that celebrates individuality and togetherness through timeless, versatile apparel.

From our earliest days, **Boxercraft**® earned its place in the “Spiritwear” world by blending relaxed silhouettes with bold graphics that spoke to school pride and team loyalty. For more than 40 years, that same energy has evolved into a broader definition of spirit - whether it's school spirit, team spirit, company spirit, community spirit, or simply the spirit of self-expression.

Today, **Boxercraft**® is proud to offer collections that embody everyday comfort while giving you the freedom to show who you are. Designed to fit into modern life, our pieces are built for lounging, living, and celebrating the moments that matter most. Our mission is simple: to be the brand you turn to for style that feels good, looks good, and always carries a little spirit.

CUDDLE

Discover our **CORDED RIB KNIT COLLECTION** - a modern take on the timeless corded look. Known for its distinctive raised ridges, or wales, this fabric stands out with texture you can both see and feel. Each wale is created by weaving in extra yarns and gently cutting them to form a soft, velvety pile, giving the material its signature plush hand. The result? A cozy, elevated knit that blends comfort, character, and everyday style.
