A photograph of a room corner. On the left is a window with a light-colored frame and multiple panes, showing a view of green trees outside. The wall is covered in a dense, vibrant wallpaper featuring a variety of tropical plants, including large green leaves, white flowers with yellow centers, and yellow butterflies. In the foreground, a wooden armchair with a dark seat and backrest is partially visible. It has a green quilted cushion and a textured, light-colored throw blanket draped over it. The floor is covered with a dark, textured rug. The overall atmosphere is warm and tropical.
