FLOWER DESIGN

CORPORATE

The background of the page is a soft-focus photograph of several pink tulip buds. The buds are in various stages of opening, with some showing a darker pink or red hue at the base of the petals. The lighting is gentle, creating a warm and delicate atmosphere. The overall composition is centered and balanced.

# AMSTERDAM

Elegant floral composition featuring three arrangements set on round bases, displayed over a mirrored platform — ideal for round tables. Accented with tulips, this arrangement can be customized with seasonal flowers and a variety of color palettes. It can be enhanced with tall candle holders or tea lights, available in both LED and natural versions

# BERLIM

Deconstructed arrangement with two floral focal points, ideal for rectangular tables. Colors and flower varieties can be customized according to the season. The ambiance is enhanced with tea lights and, optionally, tall candle holders with LED or natural candles.

# DUBAI

*Dubai shines like jewels in the desert, revealing a unique and captivating beauty — a perfect inspiration for*

An elegant solution for round tables, featuring LED pillar candles of varying heights nestled among green foliage. A visually striking arrangement, ideal for evening events.

# LONDON

A refined proposal for round tables, featuring a 12-hour autonomy LED lamp and delicate accents of natural flowers. Both floral selections and color palettes can be tailored to the season. A modern touch with classic charm.

# MADRID

A sophisticated concept for rectangular tables, featuring five deconstructed arrangements in matte black glass cubes. Flower types and color palettes can be adapted to the season. The composition is complemented by tall candle holders and tea lights, available in LED or natural versions.

Alternative version: three deconstructed arrangements in the same glass cubes, paired with a silver candelabra holding five tall candles (LED or natural).

# NEW YORK

*"Amidst New York's cold concrete, flowers bloom as delicate whispers of beauty and warmth."*

Contemporary design on a square base, perfect for round tables. The floral composition features orchids as the focal point, with customizable colors and flower varieties according to the season. Can be elegantly paired with tall candle holders or tea lights, available in LED or natural versions.

# PARIS

A charming proposal for rectangular tables: a pathway of LED pillar candles at varying heights, intertwined with lush greenery. A touch of romance and natural sophistication.

*"A dinner beneath the lights of Paris is a meeting of starlight and the city's timeless charm. Every detail glows with elegance, as if time itself danced in silence by candlelight."*

# PORTO

For rectangular tables, three arrangements in cubes adorned with classic Portuguese tile patterns. Colors and flower varieties can be adjusted according to the season. The décor is completed with tea lights and may be complemented by tall candle holders with LED or natural candles.

# RIO DE JANEIRO

Tropical sophistication for round tables. A composition of three natural tulip arrangements in elevated glass cylinders. Colors and flower varieties can be adapted to the season. Includes tea lights (LED or natural) and may be complemented by tall candle holders.

# TORONTO

Floral composition for round tables with three delicate floral accents. Flower varieties and tones can be adjusted according to the season. At the center, a silver candelabra holds five tall candles, available in LED or natural versions. The setting may be further enriched with tea lights, also available in LED or natural options.
