

IT BEGINS WITH TWO!

The Building Plan

Legacy's Building Plan is called "2 in 2 + 4" and is very simple: enroll at least 2 Business Partners within a 2 week period (2 in 2) and 4 Customers within a month (+4) — and help your Business Partners do the same.

To assure this pace or to accelerate it, enroll more Business Partners and Customers, and teach your Team Members to do the same. It is the duplication of small teams building teams that creates large networks and income for participants.
