# Distinguishing Characteristics

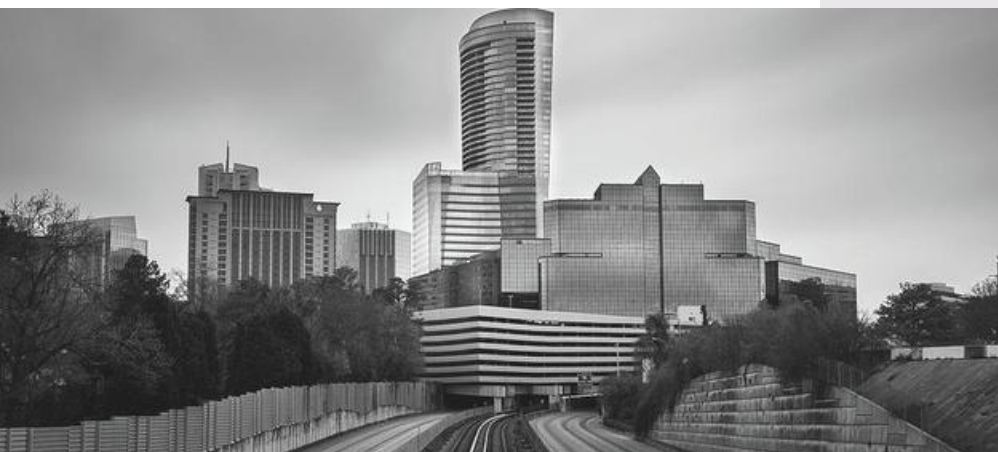

## Why Business Environments is Your Ideal Commercial Furniture Partner

At Business Environments (BE), we distinguish ourselves through a proven track record, deep industry expertise, and a service-first mindset that sets us apart from the competition. As a certified Woman-Owned Business Enterprise (WBE), we bring diversity and accountability to every engagement. Clients benefit from streamlined communication by working directly with Stefanie Stegall, a dedicated single point of contact who ensures project clarity, consistency, and timely execution.

Our expansive offering includes hundreds of furniture manufacturers, allowing us to tailor solutions that meet your specific budget, aesthetic vision, and schedule. With over 26 years of combined experience in the commercial furniture industry, both Stefanie Stegall and Coleby Hettler—degreed interior designers—bring a sophisticated understanding of functional and design-forward workspaces.

What truly sets BE apart is our commitment to responsive, reliable service. We act quickly, follow through on every detail, and resolve issues with professionalism and urgency. Our 20+ year partnership with AIS, a trusted and high-performing manufacturer, reinforces our ability to deliver quality products with consistent results. As a proud ELITE AIS dealership, we take pride in offering solutions backed by performance, accountability, and long-standing relationships.

When you partner with Business Environments, you're choosing a team that values excellence, integrity, and your long-term satisfaction.
